Shooter Barry Braverman, 2013-02-11 Video Shooter is a guide to both the mechanics of the video camera and the craft of shooting. Written by a veteran in the industry and utilizing an engaging conversational style including illustrative anecdotes from the author's many years of experience, the book takes the reader beyond button pushing to teach the complete range of skills required to capture compelling images. Topics include equipment selection, camera setup and operation, shooting techniques and working with lighting and audio. Although the techniques illustrated in Video Shooter are appropriate for users of a wide range of camera models, the book focuses on the most popular 3 CCD DV and HDV cameras. A chapter on issues and techniques relating to DVD output makes the book especially suitable for industrial, educational and government video producers. The book also features a companion DVD with tutorial footage demonstrating storytelling techniques and technical matter such as a comparison of various filters. *The Filmmaker's Handbook* Steven Ascher, Edward

Pincus, 2007-09-04 2008 Edition. The authoritative guide to funding, preparing, shooting, lighting, editing, finishing and distributing your film or video. Widely acknowledged as the bible of film and video production and used in courses around the world, this indispensable guide to making movies is now updated with the latest advances in high definition formats. For students and teachers, the professional and the novice filmmaker, this clear and comprehensive handbook remains the reliable reference to all aspects of moviemaking. Techniques for making narrative, documentary, corporate, experimental and feature films. Working with high definition and standard definition digital video formats including DV, HD and HDV. Extensive coverage of video editing with the latest nonlinear editing systems. Thorough grounding in lenses, lighting, sound recording and sound editing. The business aspects of financing and producing movies. Written by filmmakers for filmmakers, this book will give you the skills you need to take your dreams from script to screen. **EventDV**, 2008 **Better Location**

Shooting Paul Martingell, 2013-07-18 Location filming is growing in popularity with the abundance of affordable cameras. You don't need a studio, a broadcast truck or even extensive knowledge of how to use a 16mm film camera; all you need is a digital camera and you can take your job on the road and shoot wherever action is happening. This book will give you the knowledge and confidence you need to take your on location shooting skills to the next level. Better Location Filming is packed with the things you will need to know to have great results while shooting your documentary, interview, sporting event, fashion or glamour event or current affairs news show. Beyond introductory techniques, the author will tell you how to plan, troubleshoot, handle legal requirements and issues, and of course he'll teach you all about location filming equipment. Practical and filled with hands-on pointers, this book is perfect for working and aspiring film/video professionals seeking a leg up in their careers. As a bonus, advanced tips are included for novices who are ready to take shooting techniques to the next
