Ushers Board Training Manual:

Church Usher's Manual Clyde Jackson, 2024-07-24 Church Usher's Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher. Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church. As you study this book, you will learn that at no time should a parishioner walk the aisle looking for seats. Assign them immediately. Ushers should be alert at all times. This book, if necessary, can be used in conjunction with any other church ushering materials.

Ushering with a Mission VICTOR L. DAVIS, 2012-10 As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In *Ushering with a Mission*, author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's *Ushering with a Mission* goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered biblical perspective. Ushering is not something we simply do because it's our Sunday to usher. We do it because it is a lifestyle resulting from the overflow of the Spirit-filled life. *Ushering with a Mission* stresses the importance of Bible study, prayer, and personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ.

The Usher's Manual Leslie Parrott, 1970 From the perspective of a veteran pastor and communicator, Dr. Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency.

Church Usher: Servant of God David R. Enlow, 2006-01-01 *Church Usher: Servant of God* A Concise Ministry Manual, Updated Edition by David R. Enlow is a brief, concise book, 68 pages in length, that gives the church a good look at an often overlooked vital ministry within the church. In the past, the role of the church usher has often been underestimated by church leadership. Anyone can help do this job, some say. Proven methods of effective ushering is a concept, but the ministry of ushering takes on new dignity and, in this practical and biblically based study prepared in consultation with ushers from small to large churches, *Church Usher: Servant of God* may be used as a self-improvement study for individuals or taught in a class setting. Head ushers will find it an excellent reference tool for the execution of their duties for their team. Each short chapter ends with a summary and thought-provoking questions to stir discussion and to help with further study.
