Identification of *Enterococcus faecalis* in a patient with urinary-tract infection based on metagenomic next-generation sequencing: a case report

Manshi Li¹, Fuhuo Yang², Yihan Lu^{1,2*} and Weifeng Huang^{1*}

Abstract

Background: Urinary tract infection (UTI) caused by various pathogenic microorganisms is ubiquitous in the parts of the urinary system such as kidney, ureter, bladder, and urethra. Currently, clinical detection of UTI is mainly focused on urine culture; however, the diagnostic value of urine culture remains limited due to the time-consuming procedure and low detection rate, especially in patients who have used antibiotics. Generally, treatment for UTI relies on empirical medication rather than pathogen diagnosis, which leads to the inappropriate use of antimicrobial agents and a significant increase in resistant strains. Comparatively, metagenomic next-generation sequencing (mNGS) is capable of overcoming the disadvantages of clinical culture, and identifying pathogens for further treatment.

Case presentation: A 33-year-old male patient was admitted to hospital with a high fever and chills. None of his autoimmune disease or thyroid function related indicators were positive, and he had no risk of endocarditis. His white blood cell count, C-reactive protein, procalcitonin, interleukin 6, and neutrophil proportion were markedly elevated. He was initially diagnosed as having an infection of unknown etiology. Since empirical treatment of Sulperazon and Metronidazole did not relieve his symptoms, both the blood and urine specimens were examined using traditional culture, serological testing, and mNGS assay. Traditional culture and serological testing produced negative results, while the mNGS assay revealed the presence of a potential pathogen, *Enterococcus faecalis*, in the urine specimen, which was further confirmed by both Sanger sequencing and qPCR analysis. A CT scan of the patient's whole abdomen showed stones in the right kidney. Once targeted antibiotic therapy was administered, the patient recovered quickly.

Conclusions: Our case illustrated that mNGS, as a novel culture-independent approach, demonstrated the capability of rapid, sensitive, and accurate pathogen identification. Furthermore, this technology provides strong support for guiding clinicians to determine appropriate treatment.

Keywords: Urinary tract infection (UTI), *Enterococcus faecalis*, Metagenomic next-generation sequencing (mNGS)

Hollins Martin,2024-01-17 Research Recipes for Midwives A 16 step guide to writing a research proposal Development of a research question identification of a research method and working through the steps to build a sample are complex and hugely important stages in the career of a student midwife A good research recipe a specific method geared to address a certain kind of question can be critical to the creation of a successful proposal Research Recipes for Midwives offers a selection of thoroughly tested research methods from which student midwives can choose in developing their own projects expertly directing the reader through a 16 step process for applying a recipe to their own proposal Reader will also find Information regarding the relationship between midwifery research and practice A thorough introduction to research methods built around clear concepts Tools for making a complex and challenging process manageable and exciting Research Recipes for Midwives is the ideal resource for student midwives developing research proposals particularly those enrolled in research methods modules providing readers with an edge in this foundational element of the research process

Internet and Surveillance Christian Fuchs,Kees Boersma,Anders Albrechtslund,Marisol Sandoval,2013-06-17 The Internet has been transformed in the past years from a system primarily oriented on information provision into a medium for communication and community building The notion of Web 2 0 social software and social networking sites such as Facebook Twitter and MySpace have emerged in this context With such platforms comes the massive provision and storage of personal data that are systematically evaluated marketed and used for targeting users with advertising In a world of global economic competition economic crisis and fear of terrorism after 9 11 both corporations and state institutions have a growing interest in accessing this personal data Here contributors explore this changing landscape by addressing topics such as commercial data collection by advertising consumer sites and interactive media self disclosure in the social web surveillance of file sharers privacy in the age of the internet civil watch surveillance on social networking sites and networked interactive surveillance in transnational space This book is a result of a research action launched by the intergovernmental network COST European Cooperation in Science and Technology **Advances in Information Technology Research and Application: 2012 Edition** ,2012-12-26 Advances in Information Technology Research and Application 2012 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Information Technology The editors have built Advances in Information Technology Research and Application 2012 Edition on the vast information databases of ScholarlyNews You can expect the information about Information Technology in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Advances in Information Technology Research and Application 2012 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it

is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com>

Social Media Christian Fuchs, 2017-02-25 Timely new chapters on China and the sharing economy of Uber and Airbnb strengthen an already vital contribution to communication studies Through the lens of critical theory Fuchs provides the essential text for students of our new media world Vincent Mosco Queen's University Ontario With social media changing how we use and understand everything from communication and the news to transport more than ever it is essential to ask the right kinds of questions about the business and politics of social media This book equips students with the critical thinking they need to understand the complexities and contradictions and make informed judgements This Second Edition Lays bare the structures and power relations at the heart of our media landscape Explores the sharing economy of Uber and Airbnb in a brand new chapter Takes us into the politics and economy of social media in China Puts forward powerful arguments for how to achieve a social media that serves the purposes of a just and fair world This book is the essential critical guide for all students of media studies and sociology Readers will never look at social media the same way again

Privacy and Identity in a Networked Society Stefan Strauß, 2019-04-16 This book offers an analysis of privacy impacts resulting from and reinforced by technology and discusses fundamental risks and challenges of protecting privacy in the digital age Privacy is among the most endangered species in our networked society personal information is processed for various purposes beyond our control Ultimately this affects the natural interplay between privacy personal identity and identification This book investigates that interplay from a systemic socio technical perspective by combining research from the social and computer sciences It sheds light on the basic functions of privacy their relation to identity and how they alter with digital identification practices The analysis reveals a general privacy control dilemma of digital identification shaped by several interrelated socio political economic and technical factors Uncontrolled increases in the identification modalities inherent to digital technology reinforce this dilemma and benefit surveillance practices thereby complicating the detection of privacy risks and the creation of appropriate safeguards Easing this problem requires a novel approach to privacy impact assessment PIA and this book proposes an alternative PIA framework which at its core comprises a basic typology of personally and technically identifiable information This approach contributes to the theoretical and practical understanding of privacy impacts and thus to the development of more effective protection standards This book will be of much interest to students and scholars of critical security studies surveillance studies computer and information science science and technology studies and politics

Culture and Economy in the Age of Social Media Christian Fuchs, 2015-01-09 Understanding social media requires us to engage with the individual and collective meanings that diverse stakeholders and participants give to platforms It also requires us to analyse how social media companies try to make profits how and which labour creates this profit who creates social media ideologies and the conditions under which such ideologies emerge In

short understanding social media means coming to grips with the relationship between culture and the economy In this thorough study Christian Fuchs one of the leading analysts of the Internet and social media delves deeply into the subject by applying the approach of cultural materialism to social media offering readers theoretical concepts contemporary examples and proposed opportunities for political intervention Culture and Economy in the Age of Social Media is the ultimate resource for anyone who wants to understand culture and the economy in an era populated by social media platforms such as Twitter Facebook and Google in the West and Weibo Renren and Baidu in the East Updating the analysis of thinkers such as Raymond Williams Karl Marx Ferruccio Rossi Landi and Dallas W Smythe for the 21st century Fuchs presents a version of Marxist cultural theory and cultural materialism that allows us to critically understand social media s influence on culture and the economy

The Legal Case for Palestine Steven E. Zipperstein,2024-07-31 This book critically analyzes the Palestinian legal arguments against Israeli occupation and in favor of Palestinian statehood For the past two decades Palestinians have chosen to pursue their claims against the Israeli occupation through litigation at the international courts It is therefore appropriate the author contends to analyze the merits of the Palestinian legal claims separately from their political claims To do so the book comprises five parts Part I addresses the role of international law in the conflict as well as Palestinian legal framing and lawfare Part II recounts the relevant legal history including the crucial legal implications of the Oslo Accords Part III analyzes Palestinian legal claims regarding the West Bank and the Gaza Strip Part IV assesses the Palestinian legal case for statehood Part V analyzes Palestinian legal claims regarding Jerusalem Ultimately it is argued that the Palestinian legal case is weak even though the two state solution continues to represent the most viable long term political outcome to the conflict Moreover the author suggests that Palestinian leaders have repeatedly opted for conflict perpetuation through lawfare and violence rather than conflict resolution through negotiation Providing fresh insights into the claims and counterclaims of Palestinian legal arguments the book will appeal broadly to anyone interested in the Israeli Palestinian conflict and international law

Reviews in Antibiotic Resistance and New Antimicrobial Drugs Sandra Aguiar,Falguni Debnath,Sanket Kaushik,2024-06-12 The Reviews in Antibiotic Resistance and New Antimicrobial Drugs will publish high quality scholarly review papers on key topics in antibiotic resistance and new antimicrobial drugs It aims to highlight recent advances in the field whilst emphasizing important directions and new possibilities for future inquiries We anticipate the research presented will promote discussion in the antibiotic resistance and new antimicrobial drugs community that will translate to best practice applications in clinical public health and policy settings

Microbiology of Urinary Tract Infections Payam Behzadi,Biljana Carevic,2019-02-13 Generally in accordance with anatomical characteristics urinary tract infections UTIs and in particular recurrent UTIs occur in women in contrast UTIs normally occur in men with different predisposing factors There are several types of UTIs including asymptomatic and symptomatic complicated and uncomplicated acute and chronic with a diversity of microbial pathogens In pathogens virulence factors and genes determine

the type and severity of the UTIs Obviously UTIs are a huge problem in global public healthcare systems with a wide range of predisposing factors including gender microbial agent the host s immune deficiencies genetic diseases catheterization etc The recent items determine the microbiology of UTIs Accurate diagnosis and definitive treatment are the key to UTI reduction *Infections in Urology, An Issue of Urologic Clinics of North America* Michael Hsieh,2024-10-03 In this issue of Urologic Clinics of North America guest editor Dr Michael Hsieh brings his considerable expertise to the topic of Infections in Urology Top experts in the field provide a unique look at treatment of common and uncommon bacterial infections as well as how to diagnose and treat infection prone patients and those with comorbidities and chronic conditions This issue is a valuable update not only for urologists but also for primary care and infectious disease physicians Contains 14 relevant practice oriented topics including treatment of fungal urinary tract infections clinical microbiome testing for urology manipulating the gut microbiome in urinary tract infection prone patients urinary tract infections and bacteriuria in pregnancy and more Provides in depth clinical reviews on infections in urology offering actionable insights for clinical practice Presents the latest information on this timely focused topic under the leadership of experienced editors in the field Authors synthesize and distill the latest research and practice guidelines to create clinically significant topic based reviews

Urologic Diseases—Advances in Research and Treatment: 2012 Edition ,2012-12-26 Urologic Diseases Advances in Research and Treatment 2012 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Urologic Diseases The editors have built Urologic Diseases Advances in Research and Treatment 2012 Edition on the vast information databases of ScholarlyNews You can expect the information about Urologic Diseases in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Urologic Diseases Advances in Research and Treatment 2012 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at [http www ScholarlyEditions com](http://www.ScholarlyEditions.com) Energy Research Abstracts ,1990 *Evidence-Based Infectious Diseases* Mark Loeb,Marek Smieja,Fiona Smaill,2008-04-15 This major text discusses evidence based practice in the principal infectious disease groups The introduction covers the methodology of systematic reviews in the context of infectious disease and this is followed by contributions from the leading world experts on the current evidence for best treatments The book is accompanied by a searchable CD Rom of the full text and it will be kept up to date with regular updates of the evidence on its own free access website [www evidbasedinfectiousdisease com](http://www.evidbasedinfectiousdisease.com) **International Business** Brian Toyne,Douglas William Nigh,1997 This volume explores the conceptual domain of international business inquiry the constructs that hold promise for integrating the field and the future directions that appear particularly fruitful for theory building and theory testing The Oxford

Handbook of Undergraduate Psychology Education Dana S. Dunn, 2015-08-07 The Oxford Handbook of Undergraduate Psychology Education is dedicated to providing comprehensive coverage of teaching pedagogy and professional issues in psychology. The Handbook is designed to help psychology educators at each stage of their careers from teaching their first courses and developing their careers to serving as department or program administrators. The goal of the Handbook is to provide teachers, educators, researchers, scholars, and administrators in psychology with current practical advice on course creation, best practices in psychology pedagogy, course content recommendations, teaching methods, and classroom management strategies, advice on student advising, and administrative and professional issues such as managing one's career, chairing the department, organizing the curriculum, and conducting assessment among other topics. The primary audience for this Handbook is college and university level psychology teachers at both two and four year institutions at the assistant, associate, and full professor levels, as well as department chairs and other psychology program administrators who want to improve teaching and learning within their departments. Faculty members in other social science disciplines, e.g., sociology, education, political science, will find material in the Handbook to be applicable or adaptable to their own programs and courses.

Unveiling the Magic of Words: A Overview of "**Uti Research Paper**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Uti Research Paper**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Uti Research Paper Introduction

In the digital age, access to information has become easier than ever before. The ability to download Uti Research Paper has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Uti Research Paper has opened up a world of possibilities. Downloading Uti Research Paper provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Uti Research Paper has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Uti Research Paper. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Uti Research Paper. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Uti Research Paper, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Uti Research Paper has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Uti Research Paper Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Uti Research Paper is one of the best book in our library for free trial. We provide copy of Uti Research Paper in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Uti Research Paper. Where to download Uti Research Paper online for free? Are you looking for Uti Research Paper PDF? This is definitely going to save you time and cash in something you should think about.
