Ever since I was a kid, I have always dreamed of being able to go to UW–Madison. From it being known as the best college in the Midwest to the amount of opportunities and variety of subjects it has, UW Madison has always been my dream college to attend. I decided to apply for the University of Wisconsin–Madison because of the academic options it offers, the credibility of being one of the best schools in America, and the experience that UW–Madison offers that other colleges do not. UW–Madison is known for having classes and degrees for almost every job title. Of these degrees, a technological degree is the one that I am striving to achieve. Since I was 8, I have been constantly interested in the potential and possibilities that technology has to offer. I have been fixing computers, learning about them, as well as programming them as well as android and apple devices to get a better understanding of how they work. UW–Madison is one of the best programming and technological school in the entire Midwest, which would intrigue me to go there and study the passion that I have grown to love over the past 10 years. Since UW–Madison is one of the best schools in the Midwest, it provides its students with more credibility than other students from a different school. The amount of respect and credibility that employers have towards the...[show more content...](#)

At UW–Madison, there are thousands of students attending classes there. With all of these students, the class is larger, allowing me to meet people that share a common interest with me. This allows for friendships to start, some of which, could even last a lifetime. UW–Madison's experience also helps prepare me for the large corporate business scenario, from companies such as Google, Microsoft, and other large companies. With UW–Madison providing some of the best technological [education](#), it helps prepare me for working in these large
