The Fluvial Imagination Colin Hoag, 2022-11-08 A free open access ebook is available upon publication Learn more at www.luminosoa.org Landlocked and surrounded by South Africa on all sides the mountain kingdom of Lesotho became the world's first water exporting country when it signed a 1986 treaty with its powerful neighbor An elaborate network of dams and tunnels now carries water to Johannesburg the subcontinent's water stressed economic epicenter Hopes that receipts from water sales could improve Lesotho's fortunes however have clashed with fears that soil erosion from overgrazing livestock could fill its reservoirs with sediment In this wide ranging and deeply researched book Colin Hoag shows how producing water commodities incites a fluvial imagination

Engineering water security for urban South Africa draws attention ever further into Lesotho's rural upstream catchments from reservoirs to the soils and vegetation above them and even to the social lives of herders at remote livestock posts As we enter our planet's water export era Lesotho exposes the possibilities and perils ahead *Limpopo Life* Anneli Ekblom, Michel Notelid, 2025-06-20 *Limpopo Life* introduces the reader to the material culture oral histories and the negotiation of conservation and landscape in an area now known as Limpopo National Park Introducing the archaeology of a region that has not been surveyed or discussed this book connects to the archaeology history heritage and conservation discussions in the southern African region as a whole Vegetation history and paleoecology are combined with archaeological surveys and excavations written sources oral histories and travelogues to draw a picture of the diverse landscape of the Limpopo region Intermixed within this narrative are sections that focus on an individual species a life history or an event providing a view of the complex and dynamic interactions The role of humans in this diverse environment and how they have co evolved with other species shaping each other's destinies in a consequential and accidental way is outlined This book will be of interest to researchers and students interested in the archaeology heritage and conservation of Mozambique Zimbabwe and northern South Africa It will also be of relevance to readers interested in the social history of the Limpopo and Kruger National Parks and this cross border area **Early Childhood Education From an Intercultural and Bilingual Perspective**

Huertas-Abril, Cristina A., Gómez-Parra, María Elena, 2018-05-11 Around the world school districts and institutions are exploring ways to provide quality education to their students With this there is a deeper need for multiculturalism in classrooms as many students are from varying cultures and speak different languages *Early Childhood Education From an Intercultural and Bilingual Perspective* provides emerging research on the use of play toys and games as tools for meaningful multicultural and bilingual education By highlighting topics such as cross cultural psychology classroom management and second language acquisition this publication explores the importance of culture in games and play This book is an important resource for educators academicians researchers and students seeking current research on the role of intercultural education in society and modern approaches to early education **A Dictionary of World History** Thomas Edmund Farnsworth Wright, Edmund Wright, 2015 As well as over 4000 clear and concise entries this dictionary also contains

biographies of key figures in world history Other useful features include subject entries on religious and political movements maps and full international coverage **The Counterinsurgent Imagination** Joseph MacKay, 2023-01-05

Counterinsurgency the violent suppression of armed insurrection is among the dominant kinds of war in contemporary world politics Often linked to protecting populations and reconstructing legitimate political orders it has appeared in other times and places in very different forms and has taken on a range of politics in doing so How did it arrive at its present form and what generated these others along the way Spanning several centuries and four detailed case studies *The Counterinsurgent Imagination* unpacks and explores this intellectual history through counterinsurgency manuals These military theoretical and

instructional texts and the practitioners who produced them made counterinsurgency possible in practice By interrogating these processes this book explains how counter insurrectionary war eventually took on its late twentieth and early twenty first century forms It shows how and why counterinsurgent ideas persist despite recurring failures **Chemostratigraphy** Mu Ramkumar,2015-02-17 Chemostratigraphy Concepts Techniques and Applications is the first collection of contributed articles that introduces young geoscientists to the discipline while providing seasoned practitioners with a standard reference that showcases the topic s most recent research and application developments This multi contributed reference on one of the youngest and most dynamic branches of the geosciences includes articles from some of the world s leading researchers This book is a one stop source of chemostratigraphy theory and application helping geoscientists navigate through the wealth of new research that has emerged in recent years Edited by one of the world s foremost chemostratigraphy experts Features contributed articles from a broad base of topics including stratigraphic correlation hydrocarbon exploration reservoir characterization and paleo climatic interpretation Includes a range of application based case studies addressing spatio temporal scales for practical field specific concepts **Powerful Frequencies** Marissa J. Moorman,2019-08-20 Powerful Frequencies details the central role that radio technology and broadcasting played in the formation of colonial Portuguese Southern Africa and the postcolonial nation state Angola In Intonations Marissa J Moorman examined the crucial relationship between music and Angolan independence during the 1960s and 70s Now Moorman turns to the history of Angolan radio as an instrument for Portuguese settlers the colonial state African nationalists and the postcolonial state They all used radio to project power while the latter employed it to challenge empire From the 1930s introduction of radio by settlers to the clandestine broadcasts of guerrilla groups to radio s use in the Portuguese counterinsurgency strategy during the Cold War era and in developing the independent state s national and regional voice Powerful Frequencies narrates a history of canny listeners committed professionals and dissenting political movements All of these employed radio s peculiarities invisibility ephemerality and its material effects to transgress social political physical and intellectual borders Powerful Frequencies follows radio s traces in film literature and music to illustrate how the technology s sonic power even when it made some listeners anxious and frightened created and transformed the late colonial and independent Angolan soundscape *The Origin and Growth of Geography as a discipline at South Africa Universities* Gustav Visser,Ronnie Donaldson,Cecil Seethal,2016-09-20 *Colonial Survey and Native Landscapes in Rural South Africa, 1850 - 1913* Lindsay F. Braun,2014-10-16 In Colonial Survey and Native Landscapes in Rural South Africa 1850 1913 Lindsay Frederick Braun explores the technical processes and struggles surrounding the creation and maintenance of boundaries and spaces in South Africa in the nineteenth and early twentieth centuries The precision of surveyors and other colonial technicians lent these enterprises an illusion of irreproachable objectivity and authority even though the reality was far messier Using a wide range of archival and printed materials from survey departments repositories and libraries the author

presents two distinct episodes of struggle over lands and livelihoods one from the Eastern Cape and one from the former northern Transvaal These cases expose the contingencies contests and negotiations that fundamentally shaped these changing South African landscapes

To Democratize or Not? Trials and Tribulations in the Postcolonial World
