the inauguration of today's systems in developed and developing countries across the world. Never a year goes by without a new issue appearing somewhere in the world and the author likes to keep an eye on several sources of information including regular publications from the renowned Stanley Gibbons organisation the fount of all knowledge concerning philately as well as other equally valuable contemporary publishers. Then there are regular stamp fairs held throughout the UK and the world where dealers compete for your business and at some of the bigger occasions the postal authorities themselves. On your computer are the various internet sites and auction platforms where there can often be some real surprises and bargains to be found.
