

VCE English Text Response Example

Context

This essay is on the play *'Much Ado About Nothing'*. The question is:

Much Ado About Nothing reveals both the worst and best of humanity. Discuss.

Argument Analysis

Introduction

Set against the backdrop of newfound peace and optimism following the cessation of war, Shakespeare's *'Much Ado About Nothing'* explores the worst of humanity through the character's disproportionate affixation to uphold their honour and social reputation in the androcentric world of Messina. The desire to maintain one's external status serves to initially disrupt the transition from wartime enmity to peacetime amity, with those who display the ability to challenge their inherent selfishness are endorsed by Shakespeare as the best quality humanity has to offer, as shown by their overcoming of tribulations and completion of the quotidian quest of love and marriage.

Annotations

Context: Setting the stage for my perspective on the play.

Contention: Directly answering the question. No fluff. Just a straight answer.

Summary of argument: Go through the core argument of your three body paragraphs.

Try and show how your argument will progress over the three body paragraphs. They should all link!
