Welcome Remarks For Funeral Service:

Finding Your Niche & Maintaining Your Pastoral Poise Rev. RK Shorter, 2020-12-21 In any new journey there is always the unknown factor and one can never be completely prepared for every situation There are however some shortcuts and advantages that are available if a person knows where to look One of the greatest places to find those precious gold nuggets and priceless tidbits of treasure is in the knowledge offered by an experienced friend or colleague This goes double for ministers and pastors that are involved in ministry in today's environment Every day there are many men and women answering God's call to ministry without a clear and established pathway that will direct them after they have stepped into their calling or into their churches They may undergo a formal and organized process but still may not have or be given the necessary tools to handle many of the situations that will be facing them in real life ministry Any pastor or minister should be willing to concede that finding their way by the seat of their pants was very uncomfortable and should be avoided by any means if possible The best advice comes from a trusted friend or colleague that is willing to share from their own experiences and include the good and the not so good There is no better classroom found that beats experienced and wise counsel This work is designed to offer some helpful insight to those brave men and women known as ministers and pastors This work may benefit any church or church member that is interested in better understanding the daily life of that individual they call their pastor This work is intended to positively impact the lives of those who will follow in ministry and help them to have a better perspective of what they may face as they fulfill the call

Through My Father's Eyes Franklin Graham, 2018-05-01 USA Today Bestseller List Many have written about Billy Graham the evangelist This is the first book about Billy Graham the father written from the perspective of a son who knew him best As a beloved evangelist and a respected man of God Billy Graham's stated purpose in life never wavered to help people find a personal relationship with God through a saving knowledge of Jesus Christ This was a calling that only increased over time and Billy embraced it fully throughout his active ministry and beyond Yet Billy pursued his life's work as many men do amid a similarly significant calling to be a loving husband and father While most people knew Billy Graham as America's pastor Franklin Graham knew him in a different way as a dad And while present and future generations will come to their own conclusions about Billy Graham and the legacy that his commitment to Christ has left behind no one can speak more insightfully or authoritatively on that subject than a son who grew up in the shadow of his father's life and the examples of his father's love This vulnerable book is a look at both Billy Graham the evangelist and Billy Graham the father and the impact he had on a son who walked in his father's steps while also becoming his own man leading ministries around the world all of it based on the foundational lessons his father taught him My father left behind a testimony to God says Franklin a legacy not buried in a grave but still pointing people to a heaven bound destiny The Lord will say to my father and to all who served Him obediently Well done good and faithful servant Matthew 25:21

written for writers of eulogies and for those who choose to answer the question after someone they loved and admired has died What does this life teach me about how I wish to live the rest of my days Eulogies are essentially hopeful rituals that make grief more bearable Because eulogies are about the deceased but for the living they can help us prepare to live more intentionally with an appreciation of life and with respect for the Great Mystery of death and beyond Eulogies draw us into a sense of community at a time when we may feel alone and when all we have left are our memories to bring us comfort Eulogies add to those memories and help our healing begin *The L.M.
