**The Cold War Reference Guide** Richard Alan Schwartz,2015-09-17 For over forty years much of the world was held captive by a conflict between two wholly incompatible economic ideologies capitalism and communism and the two primary superpower countries who practiced them the United States and the Soviet Union Written in accessible language for readers with little or no previous knowledge about the subject this work is first a general history of the Cold War with an overview of its root causes and the policies and theories that were in place from 1947 through 1990 A thoroughly annotated chronology of important Cold War events follows Short biographies of some of the major United States political figures and world leaders conclude the work      *Journal of Human Services Abstracts* ,1984      **Christianity and the Culture Machine** Vincent F. Rocchio,2016-08-05 Christianity and the Culture Machine is a precedent shattering approach to combining theories of media and culture with theology In this intensive examination of Christianity s role in the cultural marketplace the author argues that Christianity s inability to effectively contest the ideology of secular humanism is not a theological shortcoming but rather a communications problem the institutional church is too wedded to an outmoded aesthetic of Christianity to communicate effectively Privileging authority and obedience over the egalitarian and transformative goal of Christianity the church fails to recognize how it undermines the vitality of the Christian narrative and message In the absence of a more compelling vision offered by the official church a new aesthetic can be found forming within the margins of popular culture texts Despite its past failures in representing the Bible in mainstream film and television the culture industry now offers more compelling versions of core Christian theology without even realizing it within the margins of the main storylines This book analyzes the aesthetic principles employed by these appropriations and articulations of Christian discourse as a means of theorizing what a new aesthetic of Christianity might look like      [The Snark Handbook](#) Lawrence Dorfman,2009-09-01 It s impossible to go a full day without using snark so why fight it Snark is everywhere from television to movies to everyday life This lively collection provides hours of entertainment better than an Etch A Sketch and more fun than Silly Putty At the heart of it being in a state of snark can be one of the most useful tools at one s disposal and hence yes I used hence a powerful way to get what you want With snark you can catch people completely off guard and royally piss them off Included here is the Snark Hall of Fame the Best Snarky Responses to Everyday Dumbassness and much more It s a book that will make you laugh It s a book that will make someone else cry It s a book every student of the American psyche that s all of us Sparky needs to have Let loose Let your inner anger become a positive rather than a negative but most of all have fun Yeah like that s something you know how to do      *Hill's Reference Guide for Land Seekers, Travelers, Schools, Tourists, Emigrants and General Readers* Thomas Edie Hill,1912      **Film Reference Guide for Medicine and Allied Sciences** ,1961      [A Reference Guide for English Studies](#) Michael J. and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal
