

Writing Game Study Guide

Answer the following questions in **COMPLETE SENTENCES**.

1. What is the mystery genre?

The mystery genre is meant to intrigue, confuse, and engage the reader. It creates suspense and helps the reader unravel the plot.

2. What is Barney Hordberg?

Barney Hordberg is the narrator who sold all of the flats in Sunset Towers to his apartment. He was also Samuel W. Wisting which we find out at the end of the story.

3. What was Sunset Towers?

Sunset Towers faced East and wasn't actually a tower. It was more of a small apartment building. The fact that it was named Sunset Towers and faced East was odd.

4. What is the purpose of listing all of the names of the tenants in Sunset Towers?

The author wanted to introduce each character with a brief description so we can get a sense of each character and where they really killed Sam Wisting.

5. Why were all of the names placed where Mrs. Swenbeck was listed as Theda's partner?

None of the tenants in Sunset Towers wanted to be partners with Theda because of her behavior. The ladies thought if they were her friend and can be a bit of a friend as they were just happy to know them.

6. Why would Sandy McSwathorn want Sam Wisting dead? **"This will confuse some students because Sam Wisting was disguised as Sandy McSwathorn at the end of the story. They need to think about Sandy McSwathorn as the character."**
Sandy McSwathorn was the doorman of Sunset Towers. He was hired by Sam Wisting because he liked to organize a union at the Wisting Paper Products Corporation.

7. What does the "bird who was the smallest will be the one who has the worst" mean?

This quote is from Sam Wisting's will. It means that whoever figures out the 4th identity of Sam Wisting will be the winner of the game. (Sandy McSWATHORN, Barney HORDBERG, Nelson B. SWENSON, and Sam WISTING.)

8. Why are Theda's clothes important throughout the story?
