counterparts Through examples he has collected over the course of his decades long career as an editor and writer he brings us to a new understanding of language how it s used what it means and what fun it can be Illustrated by the inimitable Roz Chast with a foreword by former poet laureate Billy Collins *The African Svelte* offers thoughtful and intelligent exit Jesus With both uniquely happy accidents and familiar fumbles like for all intensive purposes and doggy dog world readers delighted by language will find themselves turning the pages with baited breath to discover fresh howlers that have them laughing off their dairy airs
