

**What do the Untouchables Say?:
Beware of Mr. Gandhi!**

Dr. Babasaheb Ambedkar

What Do The Untouchables Say Beware Of Mr Gandhi

**India. Legislature. Legislative
Assembly**

What Do The Untouchables Say Beware Of Mr Gandhi:

What Congress & Gandhi Have done to the Untouchables Dr.Baba Saheb Ambedkar,1946 **Dr. Babasaheb Ambedkar, Writings and Speeches: What Congress and Gandhi have done to the untouchables ; Mr. Gandhi and the emancipation of the untouchables** Bhimrao Ramji Ambedkar,2010 **Dr. Babasaheb Ambedkar, Writings and Speeches: What Congress and Gandhi have done to the untouchables ; Mr. Gandhi and the emancipation of the untouchables (1991)** Bhimrao Ramji Ambedkar,1979 Collection of essays and speeches Editors vary Religion and Identity in South Asia and Beyond Steven E. Lindquist,2011-10-01 This volume brings together sixteen articles on the religions literatures and histories of South and Central Asia in tribute to Patrick Olivelle one of North America s leading Sanskritists and historians of early India Over the last four decades the focus of his scholarship has been on the ascetic and legal traditions of India but his work as both a researcher and a teacher extends beyond early Indian religion and literature Religion and Identity and South Asia and Beyond is a testament to that influence The contributions in this volume many by former students of Olivelle are committed to linguistic and historical rigor combined with sensitivity to how the study of Asia has been changing over the last several decades **Untouchable** Anand,2007-09 **Dr. Babasaheb Ambedkar, Writings and Speeches** Bhimrao Ramji Ambedkar,1979 **Dalit Politics in Contemporary India** Sambaiah Gundimeda,2015-10-14 This book is a ground breaking intervention on Dalit politics in India Challenging received ideas it uses a comparative framework to understand Dalit mobilisations for political power social equality and justice The monograph traces the emergence of Dalit consciousness and its different strands in north and south India from colonial to contemporary times and interrogates key notions and events These include the debate regarding core themes such as the Hindu Muslim cleavage in the north and caste in the south the extent to which Dalits and other backward castes OBC base their anti Brahminism on similar ideologies and why Dalits in Uttar Pradesh north India succeeded in gaining power while they did not do so in the region of erstwhile Andhra Pradesh south India where Dalit consciousness is more evolved Drawing on archival material fieldwork and case studies this volume puts forward an insightful and incisive analysis It will be of great interest to researchers and scholars of Dalit studies and social exclusion Indian politics and sociology **For the solution of the 'Caste' question Buddha is not enough Ambedkar is not enough either Marx is a Must** Ranganayakamma, For the solution of the Caste question Buddha is not enough Ambedkar is not enough either Marx is a Must This is neither Buddha s biography nor Ambedkar s Further it is not Marx s biography either This is a discussion concerning the Dalit question based exclusively on Ambedkar s writings However I have confined myself only to those writings that deal with the Dalit question and Caste system Ambedkar had also discussed other issues like Division of labour Division of Labourers poverty unemployment and economic exploitation These issues are connected with the Dalit question and the Caste system Hence all these issues find place in this book Ambedkar had also written on other themes like the Problem of the Rupee and

Large Scale Industry But I have not included those issues which are not directly connected with the Dalit question Even regarding Gandhi I have not considered issues other than those Ambedkar cited in connection with the Dalit question For the purpose of this essay I wanted to rely only on Ambedkar s writings But in couple of contexts where I could not find relevant information in Ambedkar s works I had to turn to a few references from his biographies I have given these details in the respective contexts The world needs the theory that is powerful enough to illuminate the path It is irrelevant whether that theoretician is Buddha Marx Ambedkar or someone else That which remedies the disease alone is a medicine That which emancipates from sufferings alone is the higher path If it is Buddhism we are obliged to follow it to revere it The question however is to ascertain which is the higher path This is the thing which we must ascertain We are obliged to follow the thing which we ascertain to be the higher path We need to read Ambedkar s writings in order to arrive at a correct understanding of many issues which he discussed the caste system untouchability poverty Buddhism Marxism etc We have to read them carefully and seriously Whatever we read we have to take everything that is useful We have to follow it We have to correct whatever needs correction We have to abandon whatever is not useful To do all this however we must first understand Ambedkar s ideas correctly Problems like castes and untouchability are not things that have arisen so to speak yesterday or today They have been entrenched for thousands of years But we don t have any written literature other than religious texts and some inscription that tells about them The available sources may not be useful in many contexts Yet they may be useful to some extent in some contexts When we don t find clear cut bases for the problems however there is no way out except attempting to understand them by means of our own logic *Gandhi and Gandhism* Bhimrao Ramji Ambedkar, 1970

Mohandas Karamchand Gandhi Indian Council of Social Science Research, 1974 Classified and annotated bibliography of English books on Mohandas Karamchand Gandhi 1869 1948 published before December 1972 **Mahatma Gandhi** Dennis Dalton, 2012-02-21 Dennis Dalton s classic account of Gandhi s political and intellectual development focuses on the leader s two signal triumphs the civil disobedience movement or salt satyagraha of 1930 and the Calcutta fast of 1947 Dalton clearly demonstrates how Gandhi s lifelong career in national politics gave him the opportunity to develop and refine his ideals He then concludes with a comparison of Gandhi s methods and the strategies of Martin Luther King Jr and Malcolm X drawing a fascinating juxtaposition that enriches the biography of all three figures and asserts Gandhi s relevance to the study of race and political leadership in America Dalton situates Gandhi within the clash of civilizations debate identifying the implications of his work on continuing nonviolent protests He also extensively reviews Gandhian studies and adds a detailed chronology of events in Gandhi s life Indian Critiques of Gandhi Harold Coward, 2012-02-01 Although Gandhi has been the subject of hundreds of books and an Oscar winning film there has been no sustained study of his engagement with major figures in the Indian Independence Movement who were often his critics from 1920 1948 This book fills that gap by examining the strengths and weaknesses of Gandhi s contribution to India as evidenced in the letters speeches and newspaper articles

focused on the dialogue debate between Gandhi and Jawaharlal Nehru Rabinranath Tagore Sri Aurobindo Bhim Rao Ambedkar Annie Besant and C F Andrews The book also covers key groups within India that Gandhi sought to incorporate into his Independence Movement the Hindu Right Muslims Christians and Sikhs and analyzes Gandhi s ambiguous stance regarding the Hindi Urdu question and its impact on the Independence struggle **Preface to Ambedkarism** Rāmacandra Prasāda,1993 On sociopolitical ideology of Bhimrao Ramji Ambedkar 1892 1956 Indian statesman and social reformer

The Legislative Assembly Debates (official Report) India. Legislature. Legislative Assembly,1928 Organiser ,1997-08

The Political Subject Wendy Wheeler,2000 Following her A New Modernity which looked at ways in which we could rethink Enlightenment values to include more of the world of the emotions and the body in this volume Wendy Wheeler gathers together essays which explore the complex nature of the contemporary self which as she argues is the starting point for politics Wheeler s contributors show that looking creatively and imaginatively across the different disciplines art literature science psychology we can see the emergence of new ideas about the nature of politics and of the human beings which are the subject of politics In particular we can see the poverty of much contemporary political discourse which tends to lose sight of human beings in its focus on managerialism efficiency and a rather narrowly defined realism By rethinking fundamental questions about the nature of political subjects we can begin to develop a new and more humane politics The book has a historical section which looks at ways in which ideas about the self have been both shaped by past political cultures and reflected in them The contemporary section includes essays on psychoanalysis crowd psychology modernisation colonialism political poetry complexity theory emotional literacy ethics masculinity and computer prosthetics Wheeler s trawling of the disciplines in her quest for a new politics has resulted in an original and illuminating series of reflections on new ways of doing politics **Gandhi & Churchill** Arthur Herman,2008-04-29 In this fascinating and meticulously researched book bestselling historian Arthur Herman sheds new light on two of the most universally recognizable icons of the twentieth century and reveals how their forty year rivalry sealed the fate of India and the British Empire They were born worlds apart Winston Churchill to Britain s most glamorous aristocratic family Mohandas Gandhi to a pious middle class household in a provincial town in India Yet Arthur Herman reveals how their lives and careers became intertwined as the twentieth century unfolded Both men would go on to lead their nations through harrowing trials and two world wars and become locked in a fierce contest of wills that would decide the fate of countries continents and ultimately an empire Gandhi Churchill reveals how both men were more alike than different and yet became bitter enemies over the future of India a land of 250 million people with 147 languages and dialects and 15 distinct religions the jewel in the crown of Britain s overseas empire for 200 years Over the course of a long career Churchill would do whatever was necessary to ensure that India remain British including a fateful redrawing of the entire map of the Middle East and even risking his alliance with the United States during World War Two Mohandas Gandhi by contrast would dedicate his life to India s liberation defy death

and imprisonment and create an entirely new kind of political movement satyagraha or civil disobedience His campaigns of nonviolence in defiance of Churchill and the British including his famous Salt March would become the blueprint not only for the independence of India but for the civil rights movement in the U S and struggles for freedom across the world Now master storyteller Arthur Herman cuts through the legends and myths about these two powerful charismatic figures and reveals their flaws as well as their strengths The result is a sweeping epic of empire and insurrection war and political intrigue with a fascinating supporting cast including General Kitchener Rabindranath Tagore Franklin Roosevelt Lord Mountbatten and Mohammed Ali Jinnah the founder of Pakistan It is also a brilliant narrative parable of two men whose great successes were always haunted by personal failure and whose final moments of triumph were overshadowed by the loss of what they held most dear Ambedkar's Attack, a Critical Examination of Dr. Ambedkar's Book Kasturiranga Santhanam,1946 **The Life and Times of G.D. Birla** Medha M. Kudaisya,2003 Kudaisya s biography explores all the aspects of this legendary figure Elegantly written it reconstructs Birla s eventful public and private life drawing upon the rich historical evidence available in his private papers Kudaisya was the first scholar to have unrestricted access to these papers This book is not simply a story of onr of the greatest Indians of our times but also provides a window on the transformation which India has witnessed during the twentieth century It shows how Birla s life was marked by a complex interplay of profit power and piety Dô. Āmbedakarāñce antaraṅga D. N. Gokhale,2003 On the life and work of Bhimrao Ramji Ambedkar 1892 1956 Indian statesman
