Whether you're capturing high speed action producing cinematic videos or seeking a versatile tool for various photography needs the Sony A1 II User Manual stands as a powerful and reliable choice

Sony Alpha DSLR A100: A Better Manual Ken Milburn, 2007-05-04 This unique manual is better than the manual that comes with your camera in several important ways

It's organized according to efficient workflow so you can get the most out of your Sony A100 quickly and with the least amount of bother

You can find what you're looking for interactively by using the interactive Table of Contents choosing one of the questions in the Quick Answers section or by following any of the convenient links we've placed throughout the document

It's not a book unless you want it to be

It's a PDF that you can read on your computer or on a PDA that fits into your camera bag

It is laid out on an 8.5 x 11 inch page so if you want to print you won't have to waste paper or spend time configuring your printer

Because it's a PDF you can find subjects you're looking for by searching electronically

Typing Cmd/Ctrl+F brings up the familiar search dialog

So all you have to do to jump straight to all the references to a particular part or feature is to enter its name

No reliance on a mindreading indexer

The PDF is photographically illustrated so you can see exactly which combination of buttons knobs wheels and menu choices will help you make the magic you are hoping for

In addition to teaching technically correct procedures this document offers valuable hints for taking photographs in some of the toughest situations
