

Valedictorian Nomination Package

In order to be eligible for the position of Valedictorian of your graduating class, each candidate must meet the requirements as specified in the Valedictorian Nomination Package.

PART A: CRITERIA

1. The student must have a minimum of a 75% average in order to apply.
2. The student must have participated in extra-curricular activities within the last three years at St. Michael Secondary School.
3. The student must be a well-respected member of the class who has demonstrated a Christian commitment to St. Michael Secondary School in the past three years.
4. The student must be capable of delivering a 10 to 15 minute speech in front of a large audience.

PART B: PACKAGE

Receive Package: Wednesday, March 10th, 2015

Package Due: On Monday April 6th, 2015

Each candidate must complete the following package. The Graduation Committee will evaluate each candidate and determine the candidates whose names will be placed on a ballot to be considered for the position of Valedictorian. Bring your completed package to Mrs. Koss or Mrs. Mosik in room 205 no later than Tuesday, March 31st, 2015.

On Monday April 6th, 2015 there will be a MANDATORY meeting with potential candidates prior to giving speeches after school. The completed package must include:

1. A copy of the speech that you will be delivering to the graduating class during the homeroom speech broadcast. Speeches should be 3-5 minutes.
2. The candidate must gather 50 signatures from graduating students who support his/her nomination. Students can endorse only one candidate (see enclosed form).
3. The candidate must gather 5 signatures from teachers who would support his/her nomination.
4. List the extra-curricular activities that he/she has been involved in while at St. Michael Secondary School.

PART C: SPEECH

Friday, April 10th, 2015

After your application package has been received, candidates that have met the requirements will be notified and then required to deliver the speech live during period 3 on Friday, April 10th, 2015. The speech must be the SAME speech that was handed in to Mrs. Koss or Mrs. Mosik for approval. Any changes MUST be approved by Mrs. Koss or Mrs. Mosik.

PART D: VOTING

Due: Wednesday, April 22nd – Friday April 25th, 2015

Once all the data has been collected and evaluated by the Graduation Committee, the successful candidates' names will be voted upon through an Electronic Graduation Website on Wednesday, April 22nd – Friday April 25th, 2015.

Valedictory Letter Example

Martin Kevorkian

Valedictory Letter Example:

The Dutch Language in Japan (1600-1900) Christopher Joby, 2020-12-29 In *The Dutch Language in Japan 1600 1900* Christopher Joby offers the first book length account of the knowledge and use of the Dutch language in Tokugawa and Meiji Japan For most of this period the Dutch were the only Europeans permitted to trade with Japan Using the analytical tool of language process this book explores the nature and consequences of contact between Dutch and Japanese and other language varieties The processes analysed include language learning contact and competition code switching translation lexical syntactic and graphic interference and language shift The picture that emerges is that the multifarious uses of Dutch especially the translation of Dutch books would have a profound effect on the language society culture and intellectual life of Japan

The Spirit and Its Letter John H. Smith, 2019-05-15 In this book John H Smith investigates the influences of classical and humanistic rhetoric on Hegel s theory and practice of philosophical representation Smith focuses on Hegel s concept of Bildung roughly education development or formation which occupies a central position in his philosophy Using an interdisciplinary approach the author demonstrates that Hegel s philosophy of Bildung depends on his own Bildung as a writer of philosophy a formative education that followed the principles of traditional rhetorical systems In addition Smith provides an analysis of each stage of Hegel s philosophy in terms of a different rhetorical strategy that he finds governing Hegel s writing By examining how rhetoric enters into the formation of Hegel s anti rhetorical dialectics Smith reveals the origins of numerous contradictory strategies in Hegel s thought The first book in any language to explore the rhetorical background of Hegel s philosophy *The Spirit and Its Letter* addresses issues at the intersection of contemporary literary theory philosophy rhetoric and intellectual history

Department of State News Letter United States. Department of State, 1963

Paulinus Noster Catherine Conybeare, 2000-12-07 The history of Umbria in the first millennium B C is examined in this volume looking at the reasons behind the successful Roman conquest of this area and the impact of Roman domination on the plurality of cultures and identities in the region

EBOOK: Suicide - The Ultimate Rejection? N/A Pritchard, 1995-10-16 *Suicide The Ultimate Rejection* is an interdisciplinary text based on Colin Pritchard s first hand experience both as a practising psychiatric social worker and social researcher It provides an analysis of current research on suicide exploring possible causes and how best to intervene and makes the case for a science based practice art International rates of suicide are examined as the author looks at suicide in a cross cultural context showing how it is differently understood in different ethnic groups reflecting various degrees of stigma He argues for greater recognition of these key differences between cultures and ethnic groups and shows how important they can be to our understanding and intervention *Suicide The Ultimate Rejection* explores the concepts of prediction and prevention and asks how the current health and community services might work to reduce the number of suicides in line with the targets set by the government s Health of the Nation Different approaches to intervention and treatment are considered with emphasis on those which research has

shown to be the most promising Special attention is given to the families of the victim and in the final pages a wider view of suicide which includes euthanasia is explored Using new research Colin Pritchard examines the practical and moral issues raised by euthanasia Suicide will be of interest to students of social work psychiatric nursing health visiting and medicine as well as health professionals and counsellors **Spelling and Letter Writing** Henry T. Loomis,1889 **The Long Affair**

Conor Cruise O'Brien,1996 As controversial and explosive as it is elegant and learned this examination of Thomas Jefferson as man and icon through the critical lens of the French Revolution offers a provocative analysis of the supreme symbol of American history and political culture and challenges the traditional perceptions of both Jeffersonian history and the Jeffersonian legacy 15 illustrations British General Election of October, 1974 David Butler,Dennis Kavanagh,1975-06-18

News Letter United States. Department of State,1966 Towards Emancipation Carol Diethe,1998 Focusing on feminism in Germany Towards Emancipation examines some of the most influential women writers of the nineteenth century from the late Romantic writers such as Bettina von Arnim and Johanna Schopenhauer to writers who were active in the 1848 Revolution such as Malwida von Meysenbug and Johanna Kinkel The heart of the book is devoted to the leading proponents of emancipation Hedwig Dohm Helene Bohlau and the prolific Louise Otto Peters yet it also includes mainstream writers whose attitudes towards the movement range from lukewarm the enormously popular Marie von Ebner Eschenbach and Gabriele Reuter to downright hostile Lou Andreas Salome and Franziska zu Reventlow **The Methodist Revolution**

Bernard Semmel,1973 From its beginning to the death of President Swain, 1789-1868 Kemp Plummer Battle,1907

History of the University of North Carolina Kemp Plummer Battle,1907 **History of the University of North Carolina: From its beginning to the death of President Swain, 1789-1868** Kemp Plummer Battle,1907 *Writing Beyond Prophecy* Martin Kevorkian,2013-01-02 Drawing attention to a cluster of later rarely studied works by three authors Identifying a line of writing from Ralph Waldo Emerson s *Conduct of Life* to Nathaniel Hawthorne s posthumously published *Elixir of Life* manuscripts to Herman Melville s *Clarel A Poem* and *Pilgrimage in the Holy Land* Martin Kevorkian demonstrates how these authors wrestled with their sense of vocational calling **Chambers's Journal of Popular Literature, Science and Arts** ,1886 **The Moral Economy of Elections in Africa** Nic Cheeseman,Gabrielle Lynch,Justin Willis,2021-02-18 Do elections turn people into democratic citizens Elections have long been seen as a way to foster democracy development and security in Africa with many hoping that the secret ballot would transform states Adopting a new approach that focusses on the moral economy of elections Nic Cheeseman Gabrielle Lynch and Justin Willis show how elections are shaped by competing visions of what it means to be a good leader bureaucrat or citizen Using a mixed methods study of elections in Ghana Kenya and Uganda they explore moral claims made by officials politicians civil society international observers and voters themselves This radical new lens reveals that elections are the site of intense moral contestation which helps to explain why there is such vigorous participation in processes that often seem flawed

Demonstrating the impact of these debates on six decades of electoral practice they explain why the behaviour of those involved so frequently transgresses national law and international norms as well as the ways in which such transgressions are evaluated and critiqued so that despite the purported significance of vote buying the candidates that spend the most do not always win

Figures of Identity Clark S. Muenzer, 1990-10-01 The question of coherence in Goethe's novels which like Faust compelled his attention throughout his creative life has only recently occupied a few critics Professor Muenzer's study offers the most comprehensive effort of this kind by examining the problematic nature of self definition through the four novels and its emergence as a discursive process of the imagination The self of these texts Muenzer suggests evolves as a symbolic construct that records a pattern of pursuit for each of their protagonists and orients the reader toward three basic goals of human aspiration Thus Werther aspires to purposefulness as a center of teleological fulfillment while the hero of Wilhelm Meister's Apprenticeship refers to an ideological center of participation in his social desire Eduard in The Elective Affinities presumes to occupy a center of archaeological power through his typically self assertive strategies In the last of his novels Wilhelm Meister's Journeymanhood Goethe articulates the need to balance all such self involved behavior with an attitude of self denial Apparently the mind can orient itself through centers of purpose order and power but it must also recognize the illusion of their attainment Identity does not involve a substantive presence and the result of self definition for Goethe is interpretive work Each of Professor Muenzer's interpretations has been guided by this premise The interests of all of Goethe's novelistic protagonists he concludes serve as orienting postures toward goals that cannot be literally achieved Consequently symbolic resolutions are proposed These then introduce new problems as points of departure in subsequent works The hidden agenda of Goethe's work as a novelist is a self that exists as a textual problem a series of interpretive moves that endlessly defer the attainment of self presence by supplementing each other in narrative fictions

Welsh Periodicals in English 1882-2012 Malcolm Ballin, 2013-06-15 Welsh Periodicals in English celebrates the contribution of English language periodicals to the careers of Welsh writers from Lewis Morris to Owen Sheers and to the practice of their editors from Charles Wilkins 1882 to Emily Trahair 2012 These periodicals have helped to create an active Anglophone public sphere in Wales and continue to stimulate discussion on a wide range of topics tensions between tradition and continuity the role of magazines in developing new writers gender issues relations with Welsh language journals the involvement of the periodicals in social and political issues and their contribution to cultural developments in Wales A detailed study of the design content and editorial practice of the periodicals is illuminated by discussions with living editors and the book concludes with a discussion on the strengths and weaknesses of contemporary productions and a comparison with their successful equivalents in Ireland

Till Time's Last Sand David Kynaston, 2017-09-07 _____ The authorised history of the Bank of England by the bestselling David Kynaston the most entertaining historian alive Spectator Kynaston's aim is to provide a history of the Bank for the general reader and in this he triumphantly succeeds providing a

worthy complement to the notable series of books on different periods of the Bank's history wonderfully readable Financial Times Not an ordinary bank but a great engine of state Adam Smith declared of the Bank of England as long ago as 1776 The Bank is now over 320 years old and throughout almost all that time it has been central to British history Yet to most people despite its increasingly high profile its history is largely unknown Till Time's Last Stand by David Kynaston is the first authoritative and accessible single volume history of the Bank of England opening with the Bank's founding in 1694 in the midst of the English financial revolution and closing in 2013 with Mark Carney succeeding Mervyn King as Governor This is a history that fully addresses the important debates over the years about the Bank's purpose and modes of operation and that covers such aspects as monetary and exchange rate policies and relations with government the City and other central banks Yet this is also a narrative that does full justice to the leading episodes and characters of the Bank while taking care to evoke a real sense of the place itself with its often distinctively domestic side Deploying an array of piquant and revealing material from the Bank's rich archives Till Time's Last Stand is a multi-layered and insightful portrait of one of our most important national institutions from one of our leading historians _____ The Old Lady of Threadneedle Street has been waiting for a biographer who could do justice to the richness of her story This is the work of a scholar with a gift for illuminating every square inch of each enormous canvas he chooses to paint Kynaston brings characters large and small to life Literary Review full of human detail an exemplary narrative history with the archives plundered judiciously and plenty of focus on people and their quirks rendered on an entertainingly human scale The Times A triumph this portrait of the Bank of England really is fascinating at times even gripping Sunday Telegraph

Reviewing **Valedictory Letter Example**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.
