Three Free Sins Steve Brown,2012-02-07 Hilarious honest and full of the hard won wisdom At its core is this truth real change only happens when we realize God loves us whether we change or not Susan E Isaacs author of Angry Conversations With God

From a popular pastor and radio host Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them regardless of how good they are This book is about the misguided obsession with the management of sin that cripples too many Christians It s about the view that religion is all about sin about how to hide side sin or how to stop sinning all together In the Introduction the author toys good naturedly with an agitated caller on his radio program teasing him in a segment where he offers three free sins The offer is real Not that Steve has the power to forgive sins but he wants to make the point that Jesus has made the offer to cover all of our sins not just three Chapter one titled Teaching Frogs to Fly is even better The gist of this chapter is that you can t teach frogs to fly just like you can t teach people not to sin Steve tells a story about a guy who has a frog and he s convinced he can teach the frog how to fly The man keeps throwing the frog up in the air or up against walls all to the poor frog s demise The message is that even though people can be better they can never not sin just like a frog can never learn to fly no matter how much pressure is put on it Steve continues through the book to show readers that while they can never manage sin they can relax in knowing that they are completely forgiven not just of three but of all *Catching the Wind of the Spirit* Sunder Krishnan,2010-08-31 In *Catching the Wind of the Spirit* Rev Krishnan explores eight spiritual disciplines the sails that we must hoist if we are to catch the wind of the Spirit Worship Scripture meditation Study Prayer Confession Fellowship Service and Giving The Holy Spirit is much the same as the wind and the sailboat says Rev Sunder Krishnan It is the Spirit of God who performs the vital work of transforming each of us into the image of our Savior and Lord But in order to be effectively steered and directed by the Spirit we must embrace the spiritual disciplines that will help us gradually and progressively be transformed into the image of Christ Each chapter includes questions for individual or group study **For the Glory of God** Daniel I. Block,2014-08-12 Christianity Today Book Award Winner One of Worship Leader Magazine s Editor s Picks Current discussions about worship are often driven by pragmatics and personal preferences rather than by the teaching of Scripture True worship however is our response to God s gracious revelation in order to be acceptable to God worship must be experienced on God s terms Respected Old Testament scholar Daniel Block examines worship in the Bible offering a comprehensive biblical foundation and illuminating Old Testament worship practices and principles He develops a theology of worship that is consistent with the teachings of Scripture and is applicable for the church today He also introduces readers to a wide range of issues related to worship The book illustrated with diagrams charts and pictures will benefit professors and students in worship and Bible courses pastors and church leaders [40 Questions About Prayer](#) Joseph C.
