going on A Stone s Throw A dead body really ruins your holiday During a much needed break in Devon Inspector Nathan Stone finds himself at the centre of a murder investigation when the wife of the owner of the hotel is found killed The last person to see her alive he must contend with the suspicions of the local police The arrival of a storm that isolates the small village of Donningford from the outside world changes everything however and Nathan must take charge of the investigation A second murder drives home a frightening fact Nathan the other guests and the hotel staff are sharing a roof with a hate filled killer who will stop at nothing to exact revenge and to prevent the police from discovering the truth Under Pressure Nathan Stone hasn t long got back from a holiday but he could already do with another one Between a murder an unexplained drowning a trio of assaults a missing teen and an interdepartmental dispute over jurisdiction he s under so much pressure he barely has time to sleep All of that would be bad enough without one of the assaults having occurred on his best friend Louisa Orchard leaving her in the same ITU where his wife died He s determined to catch the people responsible despite the strain that such a busy caseload and worry over his best friend is having on him Can he keep himself together and awake long enough to solve the cases and hopefully see Louisa recover from her injuries
