

WELCOME SPEECH FOR FRESHERS' PARTY BY THE PRINCIPAL

Hello everyone,

Respected Chairperson, Honorable Chief Guest, Faculty Members, Technical and Administrative Staffs, Students and Dear New Comers,

It's a moment of great privilege and honor for me to extend a hearty welcome to all of you today at this memorable event of Darchula Multiple Campus. As you all are aware that we have gathered here to welcome fresher to our prestigious college. The program will be followed by a few short speeches of the faculty teacher/s and our Honorable Chief guest, post which there will be cultural program, including dance and songs, drama, etc. refreshment at 3 PM and ultimately the party in the community hall from 7 PM onwards. I hope, you all are enjoying yourself so far and we promise to make this a memorable event for you all.

Established in 2059, our college is affiliated to TU and it gives me immense pleasure to inform that we have been imparting quality education since inception. The development of a quality educational system largely lies on the committed members of the faculty, quality infrastructure, supportive administration, large pool of learning resources and last but not the least, hardworking and brilliant students. You will be glad to hear that our college primarily focuses on making our students a good human being and also a successful professional through a strategic teaching of both theoretical and practical aspects during the course of education. I am highly encouraged to share that many of our students, who have emerged from our college with flying colors are now occupying higher positions in several renowned organizations both in Nepal and abroad. They have succeeded in many respects and I am very certain that all the current students will also reach the same peak of success.

I heartily welcome all the fresher students to our college and ensure that we will do everything possible to equip you with the best possible teaching resources, practical exposure and training methods so that you are able to shape up your life and career for a challenging world out there. In our college, we believe in inspiring

The Princess's Spirit Trilogy #1-3: An Early 21st Century Liberty Movement Story TaraElla,2017-02-20 The early 21st century is a time of unprecedented opportunity for those coming of age It is a time when many young adults set out to achieve their dreams be it starting their own business starting a political movement or propelling themselves to superstardom Angelle s dream is to become Cultural Royalty of Pacificland thus achieving what her mother couldn t Her vision is based on freedom dreams love and fairness for all However she soon finds that whilst change appears to be in the air the resistance is often even greater While the early 21st century is a time of opportunity for some many people remain left behind and tension and dissatisfaction is the order of the day in many areas of life The increasing pitch of the culture wars and the influence of global movements from the Tea Party to the Occupy Protests also combine to make Pacificland a daily ideological warzone Meanwhile Pacificland gets caught up in a meaningless political stalemate with reforms like marriage equality stalled seemingly forever With her own dreams on the line will Angelle stay true to her values And if she does will it be enough to make a positive difference Life isn t meant to be easy but are there rewards for the brave at the end While Angelle s story is fictional the perspective taken on the social and political movements of the 2000s and 2010s are inspired by real life accounts and represent the very real perceptions of real people living today The Practice of Government Public Relations Mordecai Lee,Grant Neeley,Kendra Stewart,2021-07-20 In addition to traditional management tools government administrators require a fundamental understanding of the tools available to address the ever changing context of government communications Examining the ins and outs of the regulations influencing public information The Practice of

Government Public Relations unveils novel ways to integrate cutting edge technologies including Web 2.0 and rapidly emerging social media to craft and maintain a positive public image. Expert practitioners with extensive government communications experience address key topics of interest and provide an up to date overview of best practices. They examine the specifics of government public relations and detail a hands on approach for the planning, implementation and evaluation of the wide ranging aspects of government public relations including how to respond during a crisis. In addition to the tools provided on the accompanying downloadable resources, most chapters include a Best Practice Checklist to help you successfully utilize the communication strategies outlined in the book. Focusing on the roles of government managers enacting policies adopted by elected officials and politicians, this book is ideal for program managers seeking innovative and inexpensive ways to accomplish their programs' missions. While no manager can be an expert in all aspects of public administration, this book helps you understand the external communications tools available to advance the mission and results of your agency.

Dr Bakewell's Wondrous School of Confectionery L. T. Talbot, 2017-07-21. Lemonade, pies, chocolate, marshmallow, truffles, afternoon tea, and Edible Arts are everyday occurrences at Honeycomb Hall. Dr Bakewell, world famous baker and Headmaster of the top secret school, runs a competition with an incredible prize: all ten winners win a scholarship to study in his exclusive school. But the Hall is falling into disrepair and threatened with closure. Dr Bakewell has so far failed to save his beloved school; can his pupils step in and save the day? Facing grumpy teachers, sabotage, unlikely friendships, and unruly animals, this is a school like no other where adventure and cake wait around every corner.

One Year in King City High School Cristian Saileanu, 2013-02-10. John Holbrook, one of the heroes of this book, once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body. You see the rash on your arms and you might think that it's the skin that's sick, when actually the disease is somewhere deep inside and it is only reflected in the skin. Or conversely, when the skin is silky, smooth, soft, and supple and pleasant to the touch, it's because the entire inside of the body is healthy. It has just occurred to me that I have written a book to illustrate what John said. I must confess that at times, in order to better move the story along, two or three real life persons have been shoved into one, or one person has been split up into two. Chronology has not been always rigorously followed, either, and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader. Wait, did I say fiction? I'll take that back. For this is not a fictional book. The stories, all of them, without any exception, the stories, they are true. And if they sometimes seem far fetched, it's only because many times reality is stranger than fiction, and also more pitiless and more brutal. I have kept some of the original quizzes, essays, newspaper articles, and classroom drawings to give the book its well deserved air of authenticity. If you are a teacher, you will read the book and nod in agreement. If you are a parent, now you know a teacher's life is not the bowl of cherries you always thought it was. If you are a principal or a superintendent, you will naturally want to burn the book in the public square. This book is a mirror, and you will not like what you see. Some of the real names of the characters have been

maintained Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka Camar n and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher s lounge But don t lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian *The Elementary School Principal's Calendar* Robert Ricken, Michael Terc, Ida Ayres, 2006-03-24 Get organized plan effectively and keep your school running smoothly Developed for both aspiring and experienced elementary school principals this unique resource updated from the top selling first edition lays out everyday challenges and administrative necessities to help you plan strategically for the academic year This month by month planning tool designed by veteran administrators helps you get off on the right foot in July to set your course for a successful school year Its emphasis is to help principals develop the skills to foresee future calendar events and to put into operation specific plans to maintain a calm learning environment Chapters cover key tasks for each month beginning in July and contain Overview of tasks Communications letters memos correspondence media relations including sample documents Planning workshops orientations field trips fundraising activities Personnel assignments schedules rosters tenure recommendations Checklists to monitor progress with an assortment of tasks Resources to proactively plan and execute effective and decisive leadership The Elementary School Principal s Calendar offers a handy checklist for each month and the flexibility for modification helping busy administrators avoid reinventing the wheel each year It s an essential handbook for every principal faced with the complex challenge of managing all aspects of school administration Up Against the Ivory Tower: a Memoir Shyamala Rajender, Shyamala Rajender breaking all restrictive rules customs mores and traditions inflicted on women in India comes to America alone with a song in her heart wings on her feet and eight dollars in her pocket seeking the American Dream The University of Wyoming in Laramie granted her admission for graduate studies in chemistry that eventually would lead to gainful employment and economic independence She and her family settle into their new life together in Laramie with things going swimmingly for them Shyamala never imagined nor did she have a crystal ball or a soothsayer to predict that she would be embroiled in a ten year long battle for gender equality culminating in a precedent setting victory in a first of its kind class action lawsuit filed in a federal district court in Minnesota against a major midwestern university for gender discrimination Her victory sent shock waves throughout the academic world and continues to have a major positive impact in changing their policies and procedures in faculty employment promotions tenure salaries and other benefits Realizing that no university would now touch her with a twenty foot pole she changed her career path and has become a lawyer with her own office in the San Francisco Bay Area **Teddy-Finding Life In A World Of Destruction** Teddy Wayne Smith, 2003-03
