Westing Game Anticipation Guide:

300 Junior Novel Anticipation Guides Nancy J. Polette, 2006-05-30 The author has created reproducible anticipation guides to 300 popular junior novels ranging from classics like *Ben and Me* and *Cricket in Times Square* to the award winner *Kira Kira*. The book consists of 300 reproducible sets of open ended values questions to pique the interest of readers. Librarians and teachers will use these anticipation guides to spark interest in reading or as comprehension starters tapping into prior knowledge and starting the process of understanding. The guides are also valuable for closure and comparative discussions with literature circles. In contrast to the low level knowledge recall questions used by some electronic reading programs these questions are higher order thinking questions that will encourage critical and divergent thinking. Grades 4-8

The Westing Game - Literature Kit Gr. 7-8 Eleanor Summers, 2014-12-17 Unravel the secrets at the center of an intriguing murder mystery game. Activities are meant to excite students throughout the reading. Using the chapter titles as clues predict what might happen in each one. Identify elements of foreshadowing from the novel and imagine what will take place. Follow the clues in the story to solve the game before any of the characters. Identify cause and effect by explaining why each event happened. Keep track of the variety of characters with comprehension questions. Students will write their own prologue and epilogue at the completion of the reading. Compare two different character's perspectives of the same event from the novel. Aligned to your State Standards and written to Bloom's Taxonomy. Additional crossword word search comprehension quiz and answer key are also included. About the Novel: *The Westing Game* is a Newbery Medal winning story about a group of people playing the game of who killed the millionaire Samuel W. Westing, owner of Westing Paper Products, has died. Sixteen heirs are invited to live in the Sunset Towers apartment building. These heirs come together to read the will of the late self-made millionaire. The will challenges them to solve the murder of Sam Westing by splitting up into eight pairs. Each pair is given a set of clues and 10,000 dollars to play the game. The winner will inherit the 200,000,000 fortune and unravel the secret behind the old man's death.
