Tyler Gore, 2013-05-15 Damn its been a long time coming But its finally here Pokey said to no one in particular as the day arrived for him to be released from the prison that held him hostage against his own will for the last eighteen months day by day as he walked out the open gates He was blinded by the bright sun Reaching up to cover his eyes he heard a horn blowing Looking around for the sound of the horn he spotted his mothers beat up Honda As he watched his mother get out of the car and slowly walk toward him Pokey had one thing in mind Man I gotta make sum Major

Doe he was thinking as his mother reached out and gave him a hug Thanks Mom Glad I didnt have to ride that stank ass bus all the way home he told his mother who just smiled as she turned around and made her way back to the car with Pokey on her heels I dont know what you coming on this side for his mother said pushing him over to the drivers side You driving she said I gotta get some beauty sleep she said sliding in the car On the ride home it was quiet with Pokey in his own thoughts As he was listening to his mother snore lightly he promised Momma Imma make shit happen Being in prison Pokey learned a lot but he also learned that if you want something bad enough you gotta go get it With that in mind and the words Old School used to tell him all the time Young blood you gotta be ruthless in the game of life Sometimes you will be forced to bite the hands that feed you so always keep in mind game aint based on sympathy If a motherfucker wanna get in your way dont hesitate to roll over them and leave them where they lay As he was in deep thought his mother brought him back to the here and now So boy now that you free what you gonna do to stay free his mother asked turning in her seat to face him Whatever I gotta do Pokey said keeping it real So you gonna get a job his mother asked Never Mom You know me I aint working no nine to five for no minimum wage so that working shit is dead he said While driving as he looked out the corner of his eye he saw his mother shake her head as she closed her eyes and stopped talking But he went back to thinking Damn shit crazy when ya own momma trying to keep you down she on some get a job shit but Imma live and die in the streets As he pulled up in the projects where they stayed he noticed nothing has changed but changes were about to take place if he had something to do with it My thing is to be paid and get my game sharper than a motherfucking razor blade As he pulled up and parked he said Ma we here Waking up all his mother did was look at him then exit the car As Pokey watched his mother enter the house he said This the shit Im talking about a nigga been gone eighteen months leave with nothing and come home with nothing so its time I make something Looking around shaking his head at all the dirty buildings that held this project together his last thought was Now I gotta get some soldiers on my team and make this picture come to life as he looked around one more time before walking into the house He mumbled GABOS this time around thats how its gonna be Niggaz showed no love they receive none With that being said he walked into the house ready to take a nice long shower before he could formulate his next move not forgetting his next move better be his best move cause GABOS *When the Mask Comes Off* John D.

had Neighbors From Hell Neighbors are an obvious arrangement in cities or towns Good or bad tidy or messy quiet or noisy nice or mean there are all types City slickers moving to the country invoke the image of space and solitude but there will still be neighbors The space between domiciles might be larger but a bad messy or noisome neighbor can still exist Even with a country home s space and larger area there can still be neighbors that won t contain themselves to their own area Once upon a time there was a young family who had a dream of owning land and operating a farm They became land owners and cattle ranchers building their very own dream house on their very own patch of paradise They worked hard to assimilate to this new lifestyle in a new neighborhood It was everything they d hoped for and they were so happy Then they got neighbors They got Neighbors From Hell These bad neighbors were pushy arrogant and mean Their bad attitudes slovenly habits and meanness aside the neighbors would not contain themselves to their own area They encroached They took what was not theirs They forced themselves into the space and lives of our heroes These neighbors meant to build their house on their property next door to our little family The neighbors property had some unfortunate attributes however and it became clear that their property wasn t very conducive to building a home Astonishingly these neighbors insisted on utilizing portions of property they didn t own to construct their project There were other solutions to the construction dilemmas these neighbors faced but these answers would have been costly They wanted to use our little family s land for free They wanted to steal the property and property rights of our little family These Neighbors From Hell came on over bringing their messes and problems with them and embroiled our little family in a battle for their rights and their very lives When our heroes stood firm on their property rights these awful neighbors tried it anyway When the young couple complained the neighbors lied When the family sought the help of the authorities they found out the difficulties of fighting city hall when the local power came to the aid and assistance of their county crony even in the face of proven and documented lies The common refrain used as their excuse for lies and deceit was Y all aren t from around here are you This bigotry and clannish attitude was brought to full force against our little family whose only desire was to be left alone on their own land When the neighbors couldn t steal the part of the land they were after they tried to take everything Using their friends in county authority and the local judiciary they brought the fight of our young heroes lives Does the young family survive Can they win against the local establishment and seemingly insurmountable odds What do you do when your neighbors are the Neighbors From Hell What do you do when the Neighbors From Hell have friends in high places What do you do when they threaten your home your livelihood and your family Everyone knows fighting city hall can be a pointless fight rarely won But what do you do when city hall brings the fight to you Sometimes you have to stand and fight Billboard ,1999-11-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Pacific Reporter ,1918 **Westside** William Shaw,2000 An acclaimed author
