Skeptics Guide To The Bible:

The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1999 A mockery of the Bible and Christianity The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1979 **Solving Bible Mysteries** Dennis James Kennedy,2000 Often a Bible passage s meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of What If Jesus Had Never Been Born and What If the Bible Had Never Been Written takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions

A Skeptic's Guide to Faith Philip Yancey,2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on If this is God s world why doesn t it look more like it For anyone who s ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible In the gentle understanding voice of one who s been through skepticism Yancey investigates questions like What is the good life Do my deepest experiences of beauty and pain have meaning Is there life after death If God does exist why does this world seem to be coming apart at the seams Does faith make any difference in my daily life A Skeptic s Guide to Faith previously titled Rumors of Another World reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world According to Yancey A thin membrane of belief separates the natural from the supernatural What makes it so hard for some of us to cross that membrane Look inside to find out In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic **A Skeptic's Guide to Belief** Ken Crispin,2019-04-04 What would happen if you faced your doubts set

aside your preconceptions and decided to follow the path of truth wherever it might lead Most people whether believers or atheists doggedly defend what they have always believed Many see this as an expression of faith Yet there is something almost inexpressibly sad about the plight of people living out their lives in reliance upon beliefs they dare not question Perhaps that is why many of us come to a point at which we feel compelled to pursue the truth no matter what the implications But even if we found the courage to embark upon such a journey could we really find a path through the scientific philosophical experiential and theological thickets that surround the great questions of life And if we did would we know the truth and be set free Would we be forced to face a long feared despair Or would we find ourselves still staring impotently at an enigmatic universe This is a book unlike any other It addresses these questions with unflinching honesty drawing evidence from a diversity of scientific fields and subjecting the competing arguments to rigorous skeptical analysis

Politically Incorrect Guide to the Bible Robert J. Hutchinson,2007-10-16 In the beginning the Bible was regarded as

the Good Book but today it is under relentless attack from left wing audiences novelists and screenwriters to justify their own political agendas But fear not award winning religious journalist Robert J Hutchinson refutes the mockers skeptics and deniers in his new book *The Politically Incorrect Guide to the Bible* Using historical evidence and thorough analysis Hutchinson not only proves the Bible to be true and the liberal Left wrong but also takes the truth one step further showing how the Bible built and shaped Western civilization The Bible is the source for the Western ideas of justice science and democracy Hutchinson argues and without it Western civilization would not exist

The Sceptic's Guide to God David Heenan, 2008 Why have so many well known statesmen and scientists as well as famous sportsmen musicians and writers from our current era and from past ages expressed such a passionate belief in God In this revealing information packed and thought provoking book you will Discover why more and more scientists are rejecting Darwin's Theory of Evolution Learn how palaeontology the study of fossils fails to provide the crucial evidence needed to support Evolution Furthermore leading evolutionists admit it Find out why DNA is such convincing evidence of God at work in creation Discover how The Bible makes secret reference to famous events and people ranging from Shakespeare and Picasso to the assassination of President Kennedy and the destruction of New York's Twin Towers Find out how The Bible supports modern day findings by astrophysicists See the scientific evidence for Noah's Ark and the parting of the Red Sea by Moses Discover what God thinks about us Learn what heaven is really like Find out what the Bible predicts for the future and much much more

Whited Tombs D. Shurtleff, 2006-06-01 One of the characteristics of the true church of Jesus Christ is that it will always face persecution and attack This book outlines the similarities between the Pharisees of old who sought to persecute Jesus and his kingdom and their modern day counterparts This book is based on real life experiences of the author occurring over his lifetime including his many years of service as a chaplain within the U S Army Those years of service placed him in close contact with the preachers and doctrines of Christianity and occasionally exposed him to the intricacies of the age old tactics used by the modern day Pharisees This book provides insights into how the modern disciple of Jesus can counter the influence and arguments of the modern Pharisees and further reveals their motivations techniques and weaknesses It is also written for those enemies of truth in hopes that if they read this book they will awake to see themselves in the unhappy position of fighting against the living Christ and will like Saul of Tarsus turn from their course and embrace what they once sought to destroy

The End of Christianity John W. Loftus, 2011-07-12 In this successor to his critically acclaimed anthology *The Christian Delusion Why Faith Fails* a former minister and now leading atheist spokesperson has assembled a stellar group of respected scholars to continue the critique of Christianity begun in the first volume Contributors include Victor Stenger Robert Price Hector Avalos Richard Carrier Keith Parsons David Eller and Taner Edis Loftus is also the author of the best selling *Why I Became an Atheist A Former Preacher Rejects Christianity* Taken together the Loftus trilogy poses formidable challenges to claims for the rationality of the Christian faith Anyone with an interest in the philosophy of religion

will find this compilation to be intellectually stimulating and deeply thought provoking Meet the Skeptic Bill Foster,2012-03 Meet the Skeptic is a new approach to apologetics and evangelism that organizes a non believer s objections into four basic root ideas Learn how to effectively share your Christian faith without reaching for comebacks and offering churchisms This new approach to apologetics and evangelism is written for teens college students and adults A leader s guide and workbook are available for church and educational classroom settings Are you equipped to handle the skeptic s questions The God Who is I Am Jim Greene,2015-01-06 In the beginning God Created the Heavens and the Earth and when complete He created Adam and Eve In this short book you will learn about God the Creator Man the Created God s Plan for Man and much more including Hermeneutical Basics Before the Beginning and Beyond Systematic Theology for everyday people But That's Not What It Says! Roger Talley,2014-06-22 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Why I Became an Atheist** John W. Loftus,2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the

implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion **Stitched-up** Stephanie Vermeulen,2004 This feisty and inspiring treatise blames the destructive cultural myth of female self sacrifice for the desire for breast implants the conservative insistence on family values and the general cultural attitude that prevents women from supporting one another s accomplishments Using everything from psychological analysis to clever fairy tale parodies called fairer tales the author promotes an ideology for women that is neither bra burning feminism nor passive conservatism but rather a belief in self development Hi, I'm an Atheist! David G. McAfee,2021-11-02 The essential guide to coming out as a non believer David G McAfee was raised in a conservative American Christian household So when he stopped believing in God any god his family was shocked He quickly realized that atheists are misunderstood frequently thought of as Satan worshippers and anarchists Thus started McAfee s journey to his true self and crusade to tell others especially those who are devoutly religious what atheism really is what he believes in and why atheists should not be feared In Hi I m an Atheist McAfee looks at what an atheist believes and how to come out as an atheist to your friends family and co workers offering sound advice on overcoming the difficult moments in any coming out conversation Including a resource guide both for people just coming to atheism and people who have been atheists for years as well as an interview with Rebecca Vitsmun the woman made famous for coming out as an atheist live on CNN Hi I m an Atheist is a smart sensitive and realistic guide to living one s life positively and honestly without the need for a belief in God A Compact Guide to the Whole Bible Robert W. Wall,David R. Nienhuis,2015-02-10 This compact one semester introduction to the Bible prepares students to begin reading the biblical text as Christian Scripture focusing on the meaning of Scripture for the church The editors and contributors experienced teachers with expertise in different parts of the Bible orient students to the whole of Scripture so that they may read the biblical text for themselves The book first explains what Christians believe about Scripture and gives a bird s eye survey of the whole biblical story Chapters then introduce the story arrangement style and key ideas of each division of the Old and New Testament helping readers see how the books of the Bible make a coherent whole A Funny Thing Happened on the Way Through My Bible Study Bruce T. Morris,2008-05 Have you felt failure in forgiving Do you know how your justices and legislators should be acting upon critical decisions affecting the family Does your marriage need a boost Or even your divorce Would you like to know more about how to please God and support your friends in marital status Have other authors avoided the controversial issues from the Bible Perhaps you need a little help identifying and using your spiritual gift Do a few passages of Scripture completely baffle you Mr Morris walk through his Bible studies will surely help you in one or more of your challenges Why not take your walk with him Mr Morris was saved as a 7 year old He felt the call to preach as an 11 year old He became a pretty serious Bible student right after salvation and felt that desire grow for years He graduated from Hardin Simmons University Abilene TX with a major in Bible He then spent most of his elective credits in pursuit of the New

Testament as he earned a Master of Divinity at Southwestern Baptist Theological Seminary Fort Worth TX He served 27 months in the US Army He retired from the pastorate after 11 3 years as assistant to the pastor and almost 29 years as senior pastor of four other churches Whether in school in pastoral ministry in secular work or in retirement Bible reading and Bible study remain an important part of his life He lives in retirement in Abilene Texas with his wife of 52 years Betty Martin Morris They have three children seven grandchildren and three great grandchildren Among other pursuits he is at work on his second book a Commentary on Romans and his next book on additional Biblical issues

INERRANCY OF SCRIPTURE

Edward D. Andrews, 2020-08-13 Inerrancy of Scripture How Can We Believe Inerrancy of Scripture in the Originals When We Don't Have the Originals delves into the complexities surrounding the authenticity and inerrancy of the Bible Author and conservative Bible scholar provides a comprehensive exploration of how faith in the inerrancy of Scripture can be maintained even in the absence of original biblical texts Throughout the book the author examines the formation of the Canon scrutinizes the doctrine of biblical inerrancy and infallibility and explores why we don't necessarily need the original manuscripts to believe in the inerrancy of Scripture The discourse extends to why the Holy Spirit would allow for errors in copies after inspiring the original inerrant texts and probes how we can reconcile belief in inerrant originals when we don't possess them Diving into the book writing process of the New Testament the author discusses the place of writing the role of the scribe and the influence of inspiration and inerrancy during the writing process Further sections of the book tackle the issues of textual variants the early Christian view of the integrity of the Greek New Testament books and the legacy of the Hebrew Scriptures As skepticism grows in the modern age the author brings attention to the dangers of skepticism ambiguity and uncertainty and offers readers a faithful response to selective skepticism when it comes to God and the Bible The book also explores the role of the Holy Spirit in the inspiration of the Bible's authors and presents explanations for common Bible difficulties Inerrancy of Scripture concludes with a thoughtful consideration of why God has allowed the proliferation of different religions numerous Christian denominations and a multitude of textual variants in the books He inspired This work serves as a detailed and nuanced study for those seeking to navigate the intersections of faith historical criticism and scriptural understanding in the pursuit of biblical inerrancy Ideal for scholars theologians and anyone seeking a deeper understanding of the reliability of Scripture this book is an invaluable addition to your theological library
