Controlling Mental Chaos Jaime A. Pineda, 2023-07-21 Readers will learn how to use simple time tested techniques to control anxiety and recover their creative nature For centuries spirituality has told us that the answer to life's problems lies within us if only we would realize that we are more than what we imagine Now scientific understanding is showing us the way For humans anxiety is the background fever that never breaks but can often get much worse Whether the causes are individual relational cultural or pandemic problems when they occur they affect our ability to live a joyful and creative life This often means getting mired in uncontrolled mind loops and incessant circular thinking making us feel helpless and stuck In this book Jaime Pineda shows how the dynamics of anxiety and incessant rumination reflect uncontrolled creativity and how using simple time tested techniques we can learn to control the chaos and recover our creative nature The key to the solution is to understand that the intellect only helps to some extent but by itself cannot solve its own problem What we need is a mind that can in a nonjudgmental way distance itself from the thought patterns that trap us We are born with an incredible original mind that quickly becomes obscured by the fever of fear and anxiety But we can recover this mind quickly Pineda teaches us how to recognize the basic problem and find the solution through a series of steps and techniques that help bring us out of the loops and recover a cleaner mindset that enables us to move beyond the static of anxiety
