Sleeping With The Boss Entangled Lovestruck:

Sleeping with the Boss Marissa Clarke, 2014-08-11 For the last five years bookish Claire Maddox has been living for the dying Now that her stint as caretaker is over she's off to see the world She needs quick cash first so a temp job at Anderson Auctions seems perfect especially with the unexpected benefits including the hottest man she's ever laid eyes or hands on Former Marine William Anderson has been burned one time too many His military training makes him the perfect man to flush out the spy undercutting his family business but no amount of training can prepare him for the kind of undercover work he'll have to do when the sexy new temp is implicated Desire lands them in bed but duty may cost him his heart Each book in the Anderson Brothers series is a standalone full length story that can be enjoyed out of order Series Order Book 1 **Sleeping with the Boss** Book 2 **Neighbors with Benefits** Book 3 **Chance of a Lifetime** **If You Dare** Jessica Lemmon, 2015-07-21 Lily McIntire is in the creepiest mansion in town Alone At night Because she's an idiot and can't ignore a dare from her cocky and infuriatingly hot co worker Marcus Black But she'll be damned if she's going to give him the satisfaction of winning Marcus has had a thing for Lily for ages and he has no intention of losing this bet His plan Scare her out of the house and into his arms Once there scaring her turns into protecting her and soon after into seducing her And his plan is working Lily is having trouble relegating Marcus to the role of asshole as easily as before He came to her rescue and he's actually funny Charming Sexy as sin on a stick But Lily has a strict no love in the workplace rule and even one night of the best sex ever won't make her change her mind So she's calling everything off Surviving a night in the mansion might just be the easy part Surviving Marcus's increasingly convincing advances is going to take everything she has Losing is not an option NOTE This title was previously published November 2013 on Flaunt as a novella but has been significantly revised and lots of yummy new scenes added to give readers a full length category romance full of humor and sizzle *Neighbors With Benefits* Marissa Clarke, 2015-06-30 Sure it might not be completely unfair to call Michael Anderson a control freak It's helped him in business he's the CEO of Anderson Enterprises after all But he's trying to learn to let loose just a tiny bit Still he's not quite sure why his therapist thinks dogsitting will fix anything Especially since Michael and this particular canine share a kind of mutual loathing To make matters worse his new next door neighbor keeps disrupting his peace and his dates by blasting the worst possible music at the worst possible times Artist and free spirit Mia Argaropolis just landed the perfect gig to complement her career as an art therapist and her preference for living a nomadic life housesitting in the Upper West Side Too bad the guy next door is an arrogant stick in the mud with a penchant for calling security whenever she tries to drown out the noises coming from his side of the wall Suddenly all in one day Mia finds herself fighting for survival in unbearable situations First her dinner rolls go apocalyptic and try to take out the whole kitchen Then her douchebag ex shows up out of the blue her bathtub overflows and she's attacked by a Shih Tzu with the personality of Godzilla When Mia's uptight neighbor steps in as her unlikely hero and unplanned fiancé wait what she's not sure how much stranger this day could get Each book in the
