Seems the stranger is actually a powerful local god who is involved in a high stakes Florida poker tournament against various supernatural challengers. And with his eyes currently missing he needs somebody to take his place at the gaming table. Before Billy knows it he finds himself playing against the likes of an ancient Egyptian mummy, an unbearably seductive succubus, a mechanical man, an insect queen, and a cannibalistic beast man. And not just cards are in play; magic, bloodshed, and cheating are not only expected, they're encouraged. Everybody, including a sexy satyr girl with her own cards up her sleeve, thinks that Billy is in way over his head. But Billy is a born gambler, and when the chips are down, he might just change his luck for good.
