immediate action following the Goldwater debacle William F Buckley Jr s 1965 bid for Mayor of New York City and Reagan s 1966 California governor s campaign helped turn the tide for electoral conservatism By decade s end independent splinter groups vied for the right to bear the conservative standard into the next decade demonstrating the movement s strength and vitality Although conservative ideology was not created during the 1960s its political components were Here then is the story of the rise of the modern conservative movement Provocative and beautifully written A Time for Choosing is a book for anyone interested in politics and history in the postwar era
