**Defini:** 1. **HUAC** – The House Committee on Un-American Activities was an investigating committee which looked at un-American propaganda, specifically in Hollywood.

2. **Blacklist** – It was the practice of denying employment to screenwriters, actors, directors, including who were in Hollywood during the mid-20th century. This was done to the idea that they were somehow allied or connected to the USSR.

| Suspected Disloyalty | What were they accused of?                                 | How were they affected by the accusations?                                            | Do the accusations seem to have been fair? Explain.                                                                            |
|----------------------|------------------------------------------------------------|---------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| The Hollywood Ten    | They were accused of giving communist propaganda in films. | Some were sent to prison because they refused to testify and others were blacklisted. | No, they were not fair. Many pre-entitled or notable Hollywood films were made after the USSR was an ally of the U.S. in WWII. |
| Alger Hiss           | He was accused of spying for the USSR.                     | He was convicted of perjury and was imprisoned by Nixon.                              | I think they were fair to convict. He was most likely a communist, but I hope he was pardoned for his conviction.              |
