

Dad

I stand here on my Wedding Day,
With you by my side
Walking me down the aisle,
As the Father of the Bride
The many things you've done,
All the times you were there
Help me know deep down inside,
How much you really care
No one can replace you,
In the whole wide world
So, remember today, as I become a wife
I will always be your little girl
Thank you for all that you've done
You're not losing a Daughter,
But gaining a Son

Love Abbie

My Wedding Dress Susan Whelehan, Anne Laurel Carter, 2010-07-23 In the tradition of beloved anthologies of women s essay writing this collection offers twenty six true stories from well known writers and fresh new literary voices writing about a touchstone garment in a women s lives the wedding dress These are intimate stories about relationships not just those between men and women but between women and their mothers friends and children And of course with their wedding attire a relationship that is sometimes simple sometimes complex but always fascinating in what it tells us about individual lives and aspirations Some of the tales are humorous the bride whose skin turns fuchsia on her

wedding night or the woman whose shopping savvy aunt takes her to New York's garment district. Some are romantic: the woman who puts on her dress eight years after her wedding only to be caught by her husband when he comes home early from work; or the quickie immigration wedding that turned into the real thing. Some are devastating: the bride who loses her mother to illness only days before her wedding; or the woman whose mother tells of being kidnapped by her future husband. And some are revealing: the woman who wears her first wedding dress for her initiation ceremony into a convent and her second to marry her beloved; the dress that waited patiently in a shop window and then hidden in a box on a closet shelf; the same sex wedding at age eighty; the thrift shop wedding dress that gets used for everything but a wedding. All are honest, personal and profoundly moving. *Something Old* looks at how traditions like honouring one's ancestors affected wedding dress choices from a grandmother's gift to a father's old leather jacket but also at how such traditions can play a role in ways you least expect. The pieces in *Something New* focus on dreams for the future whether that means breaking away from the expectations of one's family or choosing creating a wedding dress and a future on your own. In *Something Borrowed* writers tell of all the reasons behind borrowing or trying to borrow dresses for whatever reason and *Something Blue Or Peach Or Striped Or Floral* looks at exactly that: the non-traditional choices women have made and why. These stories run the gamut of experiences connected to the iconic dress and day. If we work away at the seams even the simplest of wedding outfits reveals all manner of memories and meanings. And whether you've ever worn a wedding dress or not the stories in this collection will have you looking with new eyes on your own life and exploring what the words wedding dress mean to you.
