Semper Tek's Team has successfully delivered several Design-Build projects for USACE & other Federal Clients over the last 5 years. The Design-Build project scopes ranged in complexity and value for single project between \$150K to \$8M.

DESIGN-BUILD PROGRAM

The Semper Tek Team works together from start to finish, in open communication with the Owner, to deliver otherwise unachievable results. The best logical solutions are conceived when all stakeholders are in collaboration, resulting in minimized cost, schedules streamlined and efficiencies realized with the quality results. *It's the best return on investment!*
