

Rubric Assignments

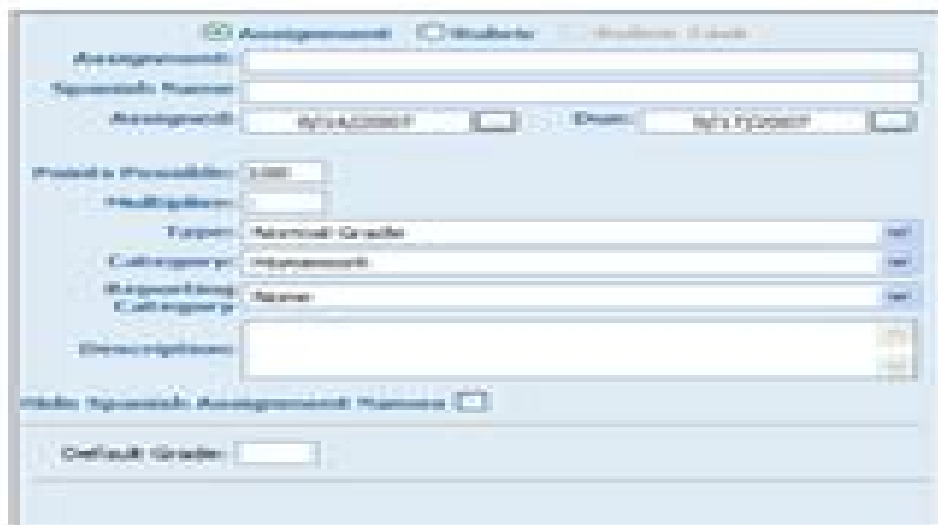

(updated 8/17/07)

Overview

GradeSpeed.NET's Rubrics feature enables teachers to establish an objective set of criteria for their students and separate a grade for an assignment into several parts (or "tasks"). This allows them to easily identify the areas where the student needs improvement. Each rubric task will be graded on a specified scale, and the total of all the tasks becomes the overall grade for the rubric. For added convenience, the rubric tasks and rubric may be added to any desired category.

Creating a Rubric

First, create the main rubric assignment – the individual rubric tasks come later. To create a rubric, the teacher should click the **Assignments** icon and select **Add New** if necessary. The following page will appear:

The screenshot shows the 'Add New' form for a Rubric assignment. At the top, there are three radio buttons: 'Assignment' (selected), 'Rubric', and 'Rubric Task'. Below these are several input fields: 'Spanish Name', 'Assignment' (with a dropdown menu showing '9/1/2007'), 'Due' (with a dropdown menu showing '9/1/2007'), 'Points Possible' (set to '100'), 'Multiplier', 'Type' (set to 'Normal Grade'), 'Category' (set to 'Assignment'), 'Reporting Category' (set to 'None'), and a 'Description' text area. At the bottom, there is a checkbox for 'Hide Spanish Assignment Names' and a 'Default Grade' input field.

Select the **Rubric** radio button at the top of the page.

This close-up shows the three radio buttons at the top of the form: 'Assignment', 'Rubric' (which is selected), and 'Rubric Task'.
