Goal

Build positive relationships between the community, parents, other colleagues, and students both in my class and outside of my class

Rationale

I have included this because teaching is a career where we as educators must collaborate with all people. In my PSI and PSII I was never involved in integrating the community and parents into the classroom. I want to be a teacher that can be approachable whether or not there is an issue present.

Related KSA(s)

William B. Ribas, 2005 Offers practical and effective methods for evaluating educators and provides districts with the tools to systematically and cost effectively assess and revise their supervision and evaluation programs

Successful School Staffing Strategies Michael Pregot, 2016-09-23 Concepts in this book constitute a framework for developing efficient school staff practices The underlying premise addressed in this basic topic is built upon forming a responsive educational community of constituents in which all staff members focus on student learning as a priority The first two chapters define human resource function as contrast them with the ideology of developing human capital Chapters 3 through 5 cite specific suggested activities in the actual hiring process from the school building leader as well as district leadership Chapters 6 through 8 deal with generic staffing practices such as basic supervision working with the non professional staff and

evaluating staff members In Chapter 9 the topic of training improving and retaining school staff is mentioned The last chapter highlights the most essential principles that surround building human capital

Evaluating Instructional Leadership Julie R. Smith,Raymond L. Smith,2015-02-19 Improve Principal Evaluation And Create Highly Effective Leaders Behind every high quality principal is an airtight system of leadership evaluation that consistently rewards excellence and remedies deficits While teacher evaluation methods have improved instructional leadership evaluation has often stood still and student learning and achievement have paid the price This book offers clear solutions to these and related problems Application of its ideas will ensure high quality leadership in the principal s office year after year Content includes Extensive data presented in a user friendly manner Clear connections to the ISLLC Standards for School Leaders A suite of interactive tools including sample self assessments mid year and final evaluation forms and professional growth plans

Impacts of Teacher Evaluation and Professional Development on Student Outcomes Edward Crowe,Rena F. Subotnik,2012-07-01 This particular case study is designed to explore the extent to which a teacher evaluation system is effective It also addresses the challenge of measuring student achievement gains when the students in question are already at the high end of the scale a different yet important problem in an era when many concentrate on low hanging fruit or students on the bubble between failure and marginal performance By presenting a realworld case various research methods for studying issues raised by the case and the interchange among scholars engaged in this effort this volume will allow educational policymakers and practitioners to decide if a proposed approach is compelling and relevant for their settings Concurrently a comparison of various research methods addressing a real school based problem provides an important learning tool for the research community and for those who study and make policy We also believe that the case study and the research designs will be useful for those with responsibility for framing and funding a research agenda in education that utilizes strong research designs applied to topics that matter to student outcomes at all levels of the U S education system and at all levels of pupil performance And finally we hope that doctoral programs that seek to prepare the next generation of education researchers will find our approach helpful in their work
