must rethink our identities roles and relationships around him Christ transformed enemies into family Men and women are allies in God s mission Drawing from Scripture and experience Fitzpatrick and Schumacher show how Jesus s example speaks to all areas of our lives as men and women including vocation marriage parenting friendships and relating to each other as sisters and brothers in Christ Real life testimonies from a variety of Christians including Christine Caine Justin Holcomb Karen Swallow Prior and others show a variety of men and women freed to pursue their gifts for God s glory Fitzpatrick and Schumacher s perspective untangles what God has said about gender from what he hasn t By coming to Jesus women and men can find rest
