

TAKING RESPONSIBILITY FOR OUR ACTIONS

1

Lead by example... If your child sees you taking responsibility for your actions they will be sure to follow your lead.

2

Make it easy for your child to be honest with you. If you show them that **honesty is the best policy** by keeping your cool with them when they are honest, they will be more likely to be truthful in the future.

3

Praise your child when they take responsibility for their actions whenever possible, in order to **pair the behavior** with **positive reinforcement**.

4

Reinforce the idea that your child is the owner of their own choices. This will **empower them to change** their situation. Show them that they are responsible for their own actions and that those actions have **consequences**.
