Slam Dunk Cheryl Cooky, Michael A. Messner, 2018-05-30 In just a few decades sport has undergone a radical gender transformation However Cheryl Cooky and Michael A Messner suggest that the progress toward gender equity in sports is far from complete The continuing barriers to full and equal participation for young people the far lower pay for most elite level women athletes and the continuing dearth of fair and equal media coverage all underline how much still has yet to change before we see gender equality in sports The chapters in *No Slam Dunk* show that is this not simply a story of an unfinished revolution Rather they contend it is simplistic optimism to assume that we are currently nearing the conclusion of a story of linear progress that ends with a certain future of equality and justice This book provides important theoretical and empirical insights into the contemporary world of sports to help explain the unevenness of social change and how despite significant progress gender equality in sports has been *No Slam Dunk*
