Cooper, 2021-11-10 The book draws on the history of economics literary theory and the history of science to explore how European travelers like Alexander von Humboldt and their readers circa 1750 1850 adapted the work of British political economists such as Adam Smith to help organize their observations and in turn how political economists used travelers observations in their own analyses Cooper examines journals letters books art and critical reviews to cast in sharp relief questions raised about political economy by contemporaries over the status of facts and evidence whether its principles admitted of universal application and the determination of wealth value and happiness in different societies Travelers citing T R Malthus s population principle blurred the gendered boundaries between domestic economy and British political economy as embodied in the idealized subjects domestic woman and economic man The book opens new realms in the histories of science in its analyses of debates about gender in social scientific observation Maria Edgeworth

Maria Graham and Harriet Martineau observe a role associated with women and methodically interpret what they observe an act reserved in theory by men **Cities of God** David Gange, Michael Ledger-Lomas, 2013-10-17 This book shows how in unearthing biblical cities archaeology transformed nineteenth century thinking on the truth of Christianity and its role in modern cities **Asian Trade and European Influence** M. A. P. Meilink-Roelofs, 2013-11-11 Now that this study is completed and I wish to make due acknowledgment to all those who have in any degree contributed towards its realization my thoughts turn in the first place to the one to whom this book is dedicated It is a great grief to me that he who took such an intense interest in my work has not lived to see its conclusion It was he who in the beginning urged me to venture upon this course of study and whose encouragement helped me in moments of despondency The high standard which with his keen and critical judgment he set for his own work was an example to me and I shall strive to maintain it in my future studies Not only did he help me to lay the foundation of my knowledge of archive science but he was also my guide in a field new to me in many respects that of Asian maritime trade His wide knowledge of medieval European trade in the Baltic area led me to compare and contrast the two worlds of East and West and thus helped me to obtain a deeper insight into the differences and similarities between the various problems involved I am greatly indebted to Prof Dr J M Romein who has followed the progress of my studies with great interest all these years and on whose help and support sometimes in very difficult circumstances I have always been able to rely Later Middle English Literature, Materiality, and Culture Brian Gaste, Erick Kelemen, 2018-04-12 The essays in this volume consider the ways in which material and intellectual culture both shaped and were shaped by the literature of late medieval England The first section Textual Material reflects on cultural and social issues generally referred to as the History of Ideas and how those ideas manifest in later medieval English texts Essays address for example affect in The Book of Margery Kempe rhetoric in Sir Gawain and the Green Knight anarchy in late medieval political texts and temporality in Gower's Confessio Amantis The essays in the second section Material Texts examine physical objects from pilgrim badges to manuscripts to money to early printed editions and the cultural behaviors associated with them interpreting these objects and exploring their connections to the important literary and political texts of the age such as Piers Plowman Lydgate's Troy Book and Chaucer's Canterbury Tales All of the essays in this collection emerge from the relationships and connections between the issues that characterize Jim Dean's work the cultural material and aesthetic aspects of later medieval English literature So too do they reflect a movement in medieval literary studies presaged by Dean's career of scholarship and teaching that critical approaches to literary texts are best undertaken with an understanding of the complex cultural and historical milieu that defines both the production of those texts and the production of our own work on those texts *The Beauty and Glory of the Reformation* Joel R. Beeke, 2018-07-25 Through these studies you will be challenged to treasure basic Reformation principles such as Scripture alone Christ alone and the glory of God alone as well as to grow in awareness of what amazing spiritual mentors and models of godliness a variety of Reformation

stalwarts were and what they can still teach us today These include Martin Luther William Tyndale Hugh Latimer and William Perkins lesser known pastors in Geneva and women such as Katherine Luther Katharina Zell Anna Bullinger Katherine Willoughby and Catherine de Bourbon You will also discover the reformers commitment to propagate the gospel to all nations and the riches of the Reformation view of missions Finally you will be treated to insightful essays on Augustine as an important backdrop to the Reformation and on the beauty and glory of the Christology of the Reformation The authors pray that these essays will help you increasingly become genuine sons and daughters of the Reformation by following the Reformers lives and teachings insofar as they followed the Lord Jesus Christ Contents Bright Lights in the History of the Reformation 1 William Tyndale and Sola Scriptura Michael Haykin 2 Meat not Strawberries Hugh Latimer and Biblical Preaching in the English Reformation Michael Haykin 3 The Reformers Commitment to the Propagation of the Gospel to All Nations A Historical Consideration Elias Medeiros 4 Lessons for Today from Less Known Reformers The Company of Pastors in Geneva William VanDoodewaard The Experiential Flame of the Reformation 5 Soli Deo Gloria Why There Was a Reformation Romans 11 36 Ian Hamilton 6 Solus Christus The Preaching That Defined the Reformation Ian Hamilton The Practical Lessons of the Reformation for Today 7 What Augustine Teaches Us Today Carl Trueman 8 What Luther Teaches Us Today Theology of Preaching Carl Trueman 9 What William Perkins Teaches Us Today Joel R Beeke and Andrew Ballitch 10 Learning from Women of the Reformation Rebecca VanDoodewaard 11 What the Christology of the Reformation Teaches Us Today Stephen Myers 12 Missions What Have We Learned from the Reformers Elias Medeiros

Cut Stones and Crossroads Ronald Wright, 2015-10-06 Traveling through Peru tracing the history of the Incas from their royal cities of Cusco and Machu Picchu to their mythic origin in Lake Titicaca Ronald Wright explores a country of contrasts between Spanish and Indian past and present coastal desert and mountainous interior In his highly entertaining and perceptive account Wright brings to life a complex culture a land of ancient traditions seeking its place in the modern world Embracing history politics anthropology and literature *Cut Stones and Crossroads* is a fascinating travel memoir and the study of a civilization by a writer who has won international awards as both a novelist and a historian

Encounters with Emotions Benno Gammerl, Philipp Nielsen, Margrit Pernau, 2019-06-06 Spanning Europe Asia and the Pacific *Encounters with Emotions* investigates experiences of face to face transcultural encounters from the seventeenth century to the present and the emotional dynamics that helped to shape them Each of the case studies collected here investigates fascinating historiographical questions that arise from the study of emotion from the strategies people have used to interpret and understand each other's emotions to the roles that emotions have played in obstructing communication across cultural divides Together they explore the cultural aspects of nature as well as the bodily dimensions of nurture and trace the historical trajectories that shape our understandings of current cultural boundaries and effects of globalization

Donahoe's Magazine, 1890 **The Future Past of Tourism** Ian Yeoman, Una McMahon-Beattie, 2019-12-06 This book offers a critical account of the historical evolution

of tourism through the identification and discussion of key turning points Based on these considerations future turning points are identified and evaluated The volume provides a continuum between the past and future of tourism Its central themes are the globalisation of tourism the development of destinations the importance of mobility and transport the development of the modern hotel the diversification of niche tourism and the conceptualisation of the past and future of tourism using the evolutionary paradigm in future studies The core findings of the book provide the first perspective on how the history of tourism will shape its future **The Bloomsbury Handbook of Sonic Methodologies** Michael Bull, Marcel

Cobussen, 2020-12-10 The field of Sound Studies has changed and developed dramatically over the last two decades involving a vast and dizzying array of work produced by those working in the arts social sciences and sciences The study of sound is inherently interdisciplinary and is undertaken both by those who specialize in sound and by others who wish to include sound as an intrinsic and indispensable element in their research This is the first resource to provide a wide ranging cross cultural and interdisciplinary investigation and analysis of the ways in which researchers use a broad range of methodologies in order to pursue their sonic investigations It brings together 49 specially commissioned chapters that ask a wide range of questions including how can sound be used in current academic disciplines Is sound as a methodological tool indispensable for Sound Studies and what can sound artists contribute to the discourse on methodology in Sound Studies The editors also present 3 original chapters that work as provocative sonic methodological interventions prefacing the 3 sections of the book

Rasmussen, 2014-05-14 Praise for the previous edition RASD ALA Outstanding Reference Source 1996 Essential is the word for it **Renaissance Mad Voyages** Anthony Parr, 2016-03-03 A vogue for travel stunts flourished in England between

1590 and the 1620s playful imitations or burlesques of maritime enterprise and overland travel that collectively appear to be

a response to particular innovations and developments in English culture This study is the first full length scholarly work to focus on the curious phenomenon of madde voyages as the writer William Rowley called them Anthony Parr shows that the mad voyage as Rowley and others conceived it had surprisingly deep and diverse roots in traditional travel practices in courtly play and mercantile custom and in literary culture Looking in detail at several of the best documented exploits Parr situates them in the ferment of such ventures during the period in question but also reaches back to explore their classical and mediaeval antecedents and considers their role in creating a template for eccentric English adventure in later centuries Renaissance Mad Voyages brings together literary and historical enquiry in order to address the implications of an interesting and neglected cultural trend Parr s investigation of the rash of travel exploits in the period leads to extensive research on the origins of the wager on travel and its role in the expansion of English tourism and trading activity

The Remembered and Forgotten Jewish World Daniel J. Walkowitz, 2018-09-05 Part travelogue part social history and part family saga this book investigates the politics of heritage tourism and collective memory Acclaimed historian Daniel J Walkowitz visits key Jewish heritage sites from Berlin to Belgrade to Warsaw to New York to discover which stories of the Jewish experience get told and which get silenced

Religious Tourism and Sustainability in the MENA Region Antonio Angelucci, Flavia Cortelezzi, Alessandro Cupri, 2025-06-23 This volume addresses multiple emerging needs foremost among them the growing demand for a structured theoretical and methodological framework concerning the religious tourism sector This domain undergoing continuous expansion now constitutes a significant component of the global tourism landscape as demonstrated by data on the halal tourism market projected to reach a value of approximately 300 billion by 2030 The prospect of such substantial growth underscores the imperative to cultivate specific competencies skills that integrate a deep sensitivity to cultural and spiritual dimensions with the managerial acumen demanded by today s tourism industry In a world marked by increasing mobility and a renewed quest for holistic and meaningful experiences religious tourism emerges as a complex and multifaceted phenomenon It transcends the traditional notion of pilgrimage to encompass diverse forms of travel motivated by spiritual exploration the rediscovery of cultural roots and the appreciation of religiously inspired artistic heritage In this context the volume offers a significant contribution to the development of an educational approach to religious tourism an approach that embraces innovation while remaining steadfast in its core objective to prepare professionals equipped to act with competence and ethical awareness in intercultural contexts The ultimate aim is to transform religious tourism into a genuine space for encounter mutual understanding and respectful dialogue in an increasingly polarized and tension filled global society
