**Crashproof Your Kids** Timothy C. Smith, 2007-11-01

BEFORE YOU EVEN THINK ABOUT HANDING YOUR TEENS THE CAR KEYS DO EVERYONE A BIG FAVOR CRASHPROOF THEM. Every year six million sons and daughters will become first-time drivers. Fifty-eight percent of them will be involved in a car accident within a year of getting their license, and a significant portion of these crashes will be fatal. But here's the good news: research has shown that car crashes can be reduced by up to 30 percent when you, the parent, are actively involved in your teen's instruction and set certain limits. In *Crashproof Your Kids*, certified driving instructor and dad Timothy Smith has combined the collective wisdom of numerous experts to develop the Crashproof Plan, a series of behind-the-wheel exercises designed to improve your teen's driving awareness, behavior, and skill in a way that fits your schedule. Written in a highly accessible, informal, and often humorous style, this comprehensive plan begins where drivers' education programs end and includes a step-by-step plan to develop your teen's braking, car control, and defensive driving skills; how to handle road emergencies and basic car maintenance; tips on helping your teen deal with dangerous distractions, including peer pressure and the use of alcohol and drugs; the Crashproof Contract, which outlines the expectations, responsibilities, and rules of the road for both the teen and the parent; you'll get plenty of help on how to communicate vital driving concepts to your teen, and you'll laugh, learn, and sympathize with stories from parents who have already been there. *Crashproof Your Kids* is an essential resource for any parents wanting to help their teenagers successfully navigate the single most dangerous activity they'll ever undertake.
