Cockram, 2016-05-13 In the first book systematically to give evidence of conjugal co rule at an Italian Renaissance court and the first full length scholarly study of Isabella d’Este and Francesco Gonzaga Sarah Cockram shows their relationship in an entirely new light The book draws on and presents a large amount of unpublished archival material including almost unprecedented surviving correspondence between and around these Renaissance princely rulers Using these sources Cockram shows Isabella and Francesco’s strategic teamwork in action illuminating tactics of collaboration and dissimulation She also reveals behind the scenes diplomatic activity court procedures sexual politics and seduction gift giving and network building rivalries intrigues and assassinations Several epistolary themes emerge insights into the couple’s communication practices and double dealing their use of intermediaries and attention to security matters This book’s

analysis of Isabella's co-rule with her husband supported by other members of the Gonzaga dynasty sees her sometimes in the role of subordinate partner sometimes guiding the couple's actions. It shows how despite appearances at times the couple shared common diplomatic policy as well as human material and cultural resources, joint administration and the exercise of authority and justice. Thus emerges a three-dimensional picture of the mechanisms of power and power sharing in the age of Machiavelli. *Lettres, instructions et mémoires de Colbert*, 1882. **SBI CBO Exam : Circle Based Officer (English Edition) - 10 Mock Tests and 12 Sectional Tests (1500+ Solved Questions)** EduGorilla Prep Experts, Best Selling Book in English Edition for SBI CBO Exam Circle Based Officer with objective type questions as per the latest syllabus given by the SBI.
