Massage Therapists Handbook navigates through the array of business decisions necessary to start a business from what and where to practice to what to charge and when to work. It answers the basic questions of beginning a massage business. How do you get clients? How do you keep clients? What do you need to be successful? How should you advertise? How do you stay healthy and balanced? The Massage Therapists Handbook gives valuable advice gathered from successful therapists explaining the everyday rigors of developing and maintaining a healthy and sustainable career in massage. Michael Alicia has done a great job with a step by step book for starting a successful massage practice. Whether new to the field or a veteran, anyone wishing to improve their practice can benefit from his experience and guidelines. This text will serve as a great resource for years to come. Thai Table Massage: Applying the Traditional Thai Massage Techniques on the Table Elefteria Mantzorou, 2019-01-26 Learn to apply the traditional Thai Massage techniques on the massage table by the Thai Massage instructor Elefteria Mantzorou. What you will find in this book: Techniques in supine, side and prone positions. Face included. Techniques are matched with anatomy plates. Sen work and Thai acupressure included. The techniques can be combined with Swedish massage. Take your massage therapy skills to the next level with Thai mobilizations. The instructor has her own school and teaches the art since 2004. This book contains only black and white images but full color. Kindle edition is free when you buy the paperback. Recommended for manual therapists, yoga instructors and practitioners, physiotherapists, dancers and massage therapists.

Thai Massage Manual Maria Mercati, 2005-08 Thai Massage is the touch that enhances health, happiness and wholeness and with more than 150 expertly demonstrated sequences unfolding on these pages everyone can enjoy its benefits. Sometimes called yoga in action, Thai massage has worked its relaxing wonders for more than 1,000 years. Explore its secrets with a detailed program that includes ten complete lessons, each concentrating on a particular part of the body. Like other forms of massage, it employs a flowing sequence of stretches but instead of using only your fingers, pressure is applied with the thumbs, palms, elbows, knees and feet. Full color photographs of every move match still shots with superimposed artwork that indicate the direction of the movements. Each technique is clearly explained and its benefits from improved flexibility to increased vitality detailed. All of the techniques are shown in sharp color photographs that are pleasing to the eye. Descriptions of the techniques are clear.

Massage Therapy Journal **Encyclopedia of Thai Massage** C. Pierce Salguero, David Roylance, 2011-12-01 Drawing from Thai history, cultural studies, Buddhist religion and yogic practices as well as a modern understanding of anatomy and physiology, this guidebook bridges the gap between theory and practice while presenting bodywork as it is understood in Thailand as a therapeutic medical science. Presenting detailed analysis of each step in a Thai massage routine, the history, spiritual traditions and ethical codes are offered in an engaging, informal style. Numerous photographs and diagrams illustrate the variety of techniques used and examples of routines for treating specific disorders are discussed. Updated with new layout, photos and expanded text, this exhaustive handbook is complete with a section on the
