Dreamer or a Millionaire Jake Findi, *Summary of The Miracle Morning* Alexander Cooper, 2021-04-24 Summary of The Miracle Morning Hal Elrod's book The Miracle Morning takes widely accepted self help practices that have been developed over centuries of human consciousness studies and condenses the best of the best into a daily six step ritual The book uses the concept of habit stacking the method of selecting a few desirable habits creating a sequence out of them and making the sequence itself a new habit People who use habit stacking benefit because they can adopt multiple good habits at once They can automate their behavior to do an entire sequence instead of just focusing on trying to implement numerous new habits one at a time This method takes less motivation and builds momentum quickly for comprehensive behavior change The Miracle Morning's recommended daily routine is a clear example of a classic habit stack It consists of 6 habits Silence Affirmations Visualization Exercise Reading and Scribbling S A V E R S To help readers memorize this sequence Elrod creates a simple acronym Life S A V E R S This acronym is also a metaphor for the projected impact of the routine on the reader Elrod contends that if the reader contentiously follows the steps he or she will be able to discern their innermost desires and achieve the high quality of life they deserve The routine is intended to save readers from a life of mediocrity and underachievement This book is one of the most highly rated books on Amazon it has over two thousand five hundred five star reviews and it was endorsed by world renowned influencers and luminaries including Robert Kiyosaki James Altucher Pat Flynn Brian Johnson Gail Lynne Goodwin and others The significance of this book is rooted in the author's capacity to select universally accepted practices for personal development and combine them into a seamless routine that challenges the reader to explore his or her inner values and create a plan to achieve his or her dreams The book spurred on an international movement and has been translated into 27 languages The writer claims that the book can help people create the life they have always wanted by building on the simple premise that the way a person starts their day influences the quality of their overall life Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [Secret Way to Success](#) Agatha Sushila Anthony Dias, 2024-03-29 Unlock the pathway to your dreams with this ultimate guidebook that transforms every step you take into a journey towards your goals Dive into its pages and watch as your life soil becomes fertile ground ready to nurture the seeds of your dream life through the powerful Law of Attraction Whether knowingly or unknowingly we constantly engage with the Law of Attraction through our thoughts words behaviors and actions shaping our health wealth relationships and career Secret Way to Success serves as a gentle reminder to align our thoughts behaviors and feelings with the reality we wish to create ensuring that we attract only the positive outcomes we desire After all we are 100% responsible for the vibrations we emit into the universe Within these pages lies the secret mantra of transformation shared by the esteemed author Agatha recognized by Forbes magazine and honored by the World Book of Records London Agatha who has also earlier authored her autobiography namely I Agatha Sushila Dias presents a new dawn of possibilities in a world where blaming others for our circumstances is
