The Original Matthew 28:19 Restored George Card, 2013-12-16 Here in this book is the evidence gathered over a period of over 10 years of research that Matthew 28 19 original text was changed from the phrase in my name to the Trinitarian phrase From The Holy Apostolic New Testament For more information go to www one lord org A Dictionary of Christ and the Gospels: Labour-Zion, with appendix and indexes James Hastings, John Alexander Selbie, John Chisholm A dictionary of the Bible, ed. by W. William Smith, 1863 Original Gospel of Matthew Vol. 2 Standford Rives, 2012-12-15 Standford Rives seeks to provide the best Smith, 1863 approximation of the original Gospel of Matthew based upon Hebrew sources There is no disputing Matthew wrote his gospel in Hebrew In about 400 AD Jerome translated it from a copy at the Library of Caesarea It was quoted dozens of times by the earliest church commentators Jerome explained that our Greek version of Matthew came from this Hebrew version Jerome noted a score of variants that were interesting The Shem Tob version of Matthew is the best candidate to reflect the original Hebrew Matthew Standford Rives a Christian attorney tries to meticulously assemble what likely was the original Matthew from all these sources It is hoped that this will be edifying to the faithful This first of three volumes collects all viable earliest variants for Matthew overlaid on the framework of the American Standard Version of Matthew from 1901 These variants are color coded for easy identification. The variants are footnoted so the reader can read its source and weigh its strength and viability The second volume will collect important scholarly material on the validity of the early variants and the significance of the changes to the traditional text Topics covered in volume two include whether the virgin birth was originally present whether Yahweh's name was originally used and on the aid to apologetics which the original Matthew variants provides The third volume is intended for devotional reading It attempts to represent the best estimate of what the entire original Gospel of Matthew contained There is no commentary It is simply a smooth flowing text with the best variants reflected in the text using color coding to signify the source of each variant The same color codes are used in volume three as used in volume one They will tell the reader the general source of the variant but to know the precise citation for the variant one must refer back to Volume I The first and third volumes are separated to keep customer purchase costs down This allows the readers to

choose whether to purchase just volume one or also volume three to know the contents of the Original Gospel of Matthew An Apostolic Gospel Francis Watson, 2020-12-17 The so called Epistula Apostolorum is an early gospel like text in which the eleven apostles recount a question and answer session with the risen Jesus on Easter morning intended to equip them for the worldwide mission to which they are now called The Epistula draws selectively from the Gospels of John and Matthew while disagreeing with its sources at a number of points and claiming definitive status for its own rendering of the apostolic gospel This book is based on a new translation of this important but neglected text drawing on the Coptic Ethiopic and Latin manuscript evidence and with variants noted in an English language critical apparatus Extensive additional notes are provided to clarify issues of text translation and exegesis The central chapters explore major theological themes such as incarnation resurrection and eschatology in the light of related texts within and beyond the New Testament The Sacred Writings of the Apostles and Evangelists of Jesus Christ, Commonly Styled the New Testament Alexander Campbell, 1826 Holy Baptism; a dissertation.
