human race I hope it will provide you an insight into the life and mind of a soldier what makes us the way we are what drives us on when other men would fold what binds us together like no other brotherhood on earth what makes us laugh and what scares us shitless Watching men die violently for the first time is not something I would wish on any young man Yes many who have not served will say It will make a man out of you son but what do they know In reality it will destroy far more men than it makes leaving many dead or crippled for life some with wounds you can see but far more with wounds which you cannot

A HERO'S JOURNEY Mose M. Kinsey, 2024-07-25 What s a Hero Heroes come in all shapes sizes ages and Male or Female They are everyday people in our communities and society The label Hero is given to someone for many reasons The first thing comes to mind are acts of bravery on the battlefield a Police Officer in the line of duty a Firefighter pulling someone from a burning or building The word Hero is a very complex term and it has evolved over time A Hero can be someone whom inspires others to do a common good for themselves and others in their community One that sets high standards for himself or herself Someone whose deeds and accomplishments are worthy of praise by others One that overcame tremendous odds against them and inspired others to do the same They are people whom are not afraid to stand up for what they believe is right Someone whom helps when the benefit and praise is knowingly going to someone else Soldiers whom chose to defend our country while knowing and understanding that they may not survive their journey of service to their Country By Mose M Kinsey

since his trial barely speaking a word So is there a copycat *The Mock Olympian* Michael Long,2016-09-22 Michael Long couldn't believe how lucky he was to be working in London during the 2012 Olympics but when the games ended he was crushed He wanted nothing more than to keep the Olympics alive a little longer That was when the former beer monster from university who had won an award for biggest party animal in his final year had a fateful thought Could he race in every host city of the Summer Olympics before the next games began in four years He decided it was worth a shot and he began scouring the internet to find marathons half marathons 10K runs triathlons and other events in twenty three Olympic cities that he planned to visit over the next few years There would be lots of training some hard falls and victories along the way But nothing would compare with the friendships he would make and the adventures he would enjoy If you're passionate about traveling running or both or you want to be inspired to overcome your own challenges or simply want to giggle at someone else's misfortunes you'll want to read *The Mock Olympian*

An Innocent in Ireland David McFadden,2016-12-06 When writer David McFadden sets out on a tour of Ireland he is determined to do so in a relatively innocent state Using as a guide only *In Search of Ireland* a 1930 title by travel writer H V Morton he plans to follow the same route to try to determine how things have changed and how they have remained the same This he proceeds to do at least at first But soon he is wandering more and more erratically around the country poking into any corner and musing over any sight that takes his fancy from a cozy guest house in Kilcullen to the legendary Hill of Tara from the south coast pub run by twin sisters to the windswept reaches of the Ballaghbeama Gap And increasingly he is drawn to the prehistoric monuments of ancient Ireland As he goes he records his very personal impressions in a clear eyed and wryly humorous way Wisely McFadden also lets the many characters he meets speak for themselves he loves a good chat and he gives ample space to the various loquacious barmen shopkeepers hoteliers and passersby along the way And of all the eccentric and appealing characters that he encounters one of the most intriguing is his travelling companion the mysterious Spanish chambermaid and poet Lourdes Brasil Amusing quirky compassionate but unsentimental *An Innocent in Ireland* is a treat for any armchair traveller
