Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **A Body of Doctrinal Divinity** John Gill,2016-06-14 In this work John Gill argues for the existence and characteristics of the triune God These arguments are all given from a heavily Calvinist perspective but he uses a lot of scripture to back up his claims He also argues that the character of God is shown through his work on Earth by the elect and most importantly through Christ These characteristics then carry on in the final stages of life when human beings pass away and move on to heaven or hell *The University a Place of Slavery* George Hajjar Ph.D,2015-09-18 Over forty years ago I wrote a memo for the sixties The University A Place of Slavery in the heat of the battle I did not alter or revise the text so that the reader of the second decade of the twenty first century can capture the temper and the spirit of the exciting sixties The memo is self explanatory it is hubris and upheavals with a Sparticist touch and it includes the literature of the epoch with its divergent perspectives Moreover it embraces Rousseaus Emile in the age of Enlightenment the forerunner to the French Revolution and the education for liberation and the rediscovery of the humankind The appendix is indeed as illustrations for the contents of the memo and it adds what is relevant to the context I wrote in Besides some of the press reports under struggle I engaged in with the autocracies of the university system which I faced with its arrogance and futilitarian nonsense To the students and professors of this era I say it is time to revive the spirit of humanism and human integrity and to move the world from the kingdom of necessity to the kingdom of revolutionary change and to inscribe under the sun that never sets that freedom is our lodestar that teaches us to paint wings of freedom on our shackles Finally I am deeply indebted to Elias Bacas in helping me have this book published *People, Pigs, and Principalities* Don Dickerman,2014-05-06 Angels and demons are
