There is no experience quite like whitewater rafting. A journey to central Colorado in early summer 2005 witnessed the Arkansas River rushing with newly melted snow. This recount of river madness will show how intensely religious American fun can become.

Colorado in the summer blazes hot in the day and freezes cold at night. That did not stop camping out on the verdant grounds of Noah's Ark. This place was crawling with Christians who were ecstatic about another summer of providing big fun to their patrons. The river beckoned for good fishing, but screamed louder for rafting, and we hit it hard.

The first portion of the river meandered calmly in the mountain cathedrals, with steeples rising high among evergreen altars. From Buena Vista to Salida, the elevation drops a lot, and the river goes with it.

A placid stream that starts off calm could fool anybody. Yet, once one gets over the birds singing and the sun shining, then there flows a profound religious experience. Talk about rock and roll, icy baptisms and the jerks, these tremendous rapids that made Benny Hinn look mild. What an awakening!

There were several stages in this conversion experience. The Seven Sisters taught us a lesson that going down brought an emotional high. One right after the other, these stair steps led down to the place where all these kids received the anointing of fun. The river of excitement took a turn to a whirlpool where the raft almost tipped over. This served as a lesson that it takes effort in paddling to keep the boat upright.

Lunch by the river, communion by the stream, found everyone in sweet fellowship. As for care for bodily functions, the word was, "dilution, not pollution." Never drink the water.

The Arkansas meandered after lunch through the forest, with eagles soaring and skin burning. Cover up- if not, then burn. Most of the kids had wet suits on, but the fresh water never hits the skin if something artificial is on it. As the barges made their way to Salida, calmness came over us. The end of the matter provided time to reflect on what it took to get there.

Anyone who knows whitewater rafting realizes that God is everywhere, especially in Colorado.

Short stories are usually defined in terms of characteristics of modernism in which the story begins in the middle develops according to a truncated plot and ends with an epiphany This approach tends to ignore postmodernism a movement often characterized by a negation of objective reality where plots are seemingly abandoned surfaces are extraordinary and symbols turn inward on themselves This book examines postmodern forms and characteristic themes by analyzing a group of short stories that make use of postmodern narrative strategies including nonfictional fiction gender profiling and death as an image The volume begins with a discussion of the blurred lines between fiction and nonfiction in the short story and imaginative personal essay It then looks at the role of women in works by such authors as Sandra Cisneros Leslie Marmon Silko Joyce Carol Oates and Lorrie Moore This is followed by a section of chapters on postmodern masculinity and short fiction The next section focuses on death as an image and theme in works by Richard Ford Richard Brautigan and James Joyce The final set of chapters considers postmodern short fiction from South Africa and Canada **Writing Lessons That**

The Short Stories of Ambrose Bierce Stuart C. Woodruff,2010-11-23 One of the most interesting figures to emerge at the turn of the twentieth century was Ambrose Bierce whose acerbic columns in the San Francisco Examiner spread his fame as America s most bitter cynic and misanthrope and whose disappearance into Mexico surrounded his name with an aura of mystery Although best known during his lifetime for his journalism and always critical of his own writing the magnificent intention mocked by the actual achievement Bierce s fiction endures especially his short stories about the Civil War Originally published in the 1890s and rediscovered in the 1920s the Civil War stories are filled with unsparing descriptions of death and suffering disillusionment and fatalism They also show a concern for form and craftsmanship a

controlled irony and an economy of detail that are distinctly modern In this pioneering study of Bierce's stories Stuart Woodruff examines the best and worst of Bierce's fiction with clarity and excellent critical sense and he traces the causes of Bierce's success and failure as a writer analyzing his inability to reconcile the extremes of temperament and belief that marked his life and give his stories their characteristic form Among the pieces discussed An Occurrence at Owl Creek Bridge The Mockingbird One of the Missing Chickamauga Ha-ta-the-Shepherd What I Saw at Shiloh and excerpts from The Devil's Dictionary and Tales of Soldiers and Civilians 100 Successful College Application Essays (Second Edition) The Harvard Independent, 2002-10-01 The largest collection of successful college application essays available in one volume These are the essays that helped their authors gain admission to Harvard Yale Brown Columbia Wellesley Colby and other outstanding schools followed by invaluable comments by experts in admissions placement and college counseling at some of the best learning institutions around the country This helpful guide includes 100 complete essays with professional commentary Examples of essays on common topics family background athletics work experience as well as the more offbeat Essays on the immigrant experience by foreign born students A section of drawing and cartoon essays Insider advice from a Princeton dean of admissions A What Not to Do chapter from a top college counselor And more Compiled by members from The Harvard Independent the weekly newsmagazine of Harvard University this is an invaluable resource for students who want to write the best possible essay and improve their chances of admission to the best possible school Atlantic Monthly, 1881
