Austin,Patrick L. Hamilton,2019-11-05 Taking a multifaceted approach to attitudes toward race through popular culture and the American superhero All New All Different explores a topic that until now has only received more discrete examination Considering Marvel DC and lesser known texts and heroes this illuminating work charts eighty years of evolution in the portrayal of race in comics as well as in film and on television Beginning with World War II the authors trace the vexed depictions in early superhero stories considering both Asian villains and nonwhite sidekicks While the emergence of Black Panther Black Lightning Luke Cage Storm and other heroes in the 1960s and 1970s

reflected a cultural revolution the book reveals how nonwhite superheroes nonetheless remained grounded in outdated assumptions Multiculturalism encouraged further diversity with 1980s superteams the minority run company Milestone s new characters in the 1990s and the arrival of Ms Marvel a Pakistani American heroine and a new Latinx Spider Man in the 2000s Concluding with contemporary efforts to make both a profit and a positive impact on society All New All Different enriches our understanding of the complex issues of racial representation in American popular culture Strange and Stranger Blake Bell,2008-07-17 Strange and Stranger The World of Steve Ditko is an art book tracing Ditko s life and career his unparalleled stylistic innovations his strict adherence to his own and Randian principles with lush displays of obscure and popular art from the thousands of pages of comics he s drawn over the last 55 years **Comics Values Annual, 1998** Alex G.
