operational guidance governing the UK's road transport operators. With the uncertainty of technological advancement post Brexit trade arrangements and various industry crises, it is essential for the UK's road transport operators to have a firm grasp of the processes, rules, and regulations that govern their industry. This fully updated 53rd edition covers all aspects of transport legislation relating to goods vehicles and their operators, from vehicle registration, maintenance, and load management to professional competence, operator training, and driver testing. Road traffic law is explained alongside how to ensure safety on the road and at work. Meeting operating standards, keeping up to date with the latest industry changes, and complying with the law while running sustainable transport operations has never been simpler with the help of Lowe's Transport Manager's and Operator's Handbook 2023. It is an essential resource for transport managers, fleet operators, owner-driver haulers, and those working in the industry looking to ensure operational stability and legislative compliance in a turbulent environment.
