The Grammar of Impoliteness Daniel Van Olmen, Marta Andersson, Jonathan Culpeper, Riccardo Giomi, 2025-11-03 The dominant view in linguistics nowadays is that impoliteness is purely a matter of situational assessments by speech participants This volume challenges that orthodoxy Bringing together studies on structures that convey insults threats and more in a wide range of languages it shows that there is in fact a formal side to impoliteness The volume reveals shared features of and sources for grammatical expressions of impoliteness explores ways in which their

impolite character can be established and offers new insights into their diachrony

Manual of Romance Forensic Linguistics Victoria Guillén-Nieto, Dieter Stein, 2025-06-02 It is evident that published serious science based work in Forensic Linguistics is predominantly written in English and focuses on casework from the English speaking world While the first aspect is understandable given that English serves as an international lingua franca in scientific discourse the second aspect presents a significant limitation for the field Should researchers assume that there is simply less crime in non English speaking areas of the world A more pertinent question might be What cultural disciplinary legal or legal cultural factors contribute to the lack of research in and on languages other than English In addition to addressing the underrepresentation of Romance languages in scientific publications related to forensic work the chapters in this handbook will also explore the reasons behind this unfortunate situation Designed to engage readers whether they are linguists legal professionals or simply interested individuals and to spark interest in Romance Forensic Linguistics this handbook follows three key objectives First we are committed to providing a comprehensive overview of the casework and research conducted in and on several Romance languages including Peninsular Spanish Catalan Brazilian Portuguese French Canadian French Italian and Romanian Second the chapters in this volume seek to understand why Forensic Linguistics has thrived more in some Romance speaking countries than in others Finally we aim to uncover the reasons for the slower development of Forensic Linguistics in regions where Romance languages are predominantly spoken
