E. Preston, 2021-03-23 This book is a small no nonsense reference for normal people who want or need to make money at home

This book concentrates on truck dispatching. This is a real job that you can work from a home office with a phone and computer. It can pay a few hundred up to over a thousand a week. This is a real paying job that can lead to your own home business within a few years. Truck dispatching is a business that does not know recession. Trucks are always rolling. Grocery stores need daily deliveries. Gas stations, restaurants, shops, garages, box stores, car lots, construction sites, marinas, ports, the country would grind to a halt without trucks transporting goods. Trucks need to be dispatched to pick up and deliver these goods. Getting in on the ground level as a dispatcher can open the door to higher positions and commissions within a company or you can start your own. Most books out there only teach how to start a truck dispatching service but this book teaches you how to gain entrance as a dispatcher for a company. Most who start a dispatching service without practical experience fail within six months. Use this book in two ways: 1. Get a solid foot in the door and learn the business before you make the leap. 2. Get a great work at home career that earns a solid check and has flexible hours.

The Art of Commercial Trucking: Truck Dispatching Ashley Baker, 2021-09-11. Trucking can be a very lucrative business. So it is no surprise that people are drawn to make massive amounts of money with at times what seems like very little work. The United States Department of Transportation regulates the movement of freight by truck across the United States. Even the requirements of who can coordinate the movement of freight is regulated. That is what we will discuss in this book. Who can legally move freight? The Art of Commercial Trucking: Truck Dispatching is a comprehensive guide that helps dispatchers, freight brokers, motor carriers, and other industry professionals understand the current regulations surrounding the arrangement of the movement of freight. This easy-to-read book explains the current regulations as it relates to bona fide agents and freight brokers.
