Tshwane University Of Technology Forms

Clinton Chauke

Tshwane University Of Technology Forms:

Environmental Science and Information Application Technology David Chan, 2015-06-29 Environmental Science and Information Application Technology contains selected papers from the 2014 5th International Conference on Environmental Science and Information Application Technology ESIAT 2014 Hong Kong 7 8 November 2014 The book covers a wide variety of topics Global Environmental Change and Ecosystems Management Graphic and I Transforming Universities in South Africa , 2020-08-31 The idea of transformation in higher education underpins all policy documents academic literature and on going debates in South Africa Transforming Universities in South Africa Pathways to Higher Education Reform responds to the pressing need to comprehensively review the post apartheid experience and assess where South Africa s higher education stands across the continent and globally particularly within the country s efforts to overcome decades of socio economic imbalances It addresses the question of whether South Africa s transformation strategy from apartheid to democracy was simply a symbolic new flag raising and new anthem singing exercise reflecting a transition akin to those limited decolonization projects elsewhere in the world or whether something more fundamental was possible and was achieved with political and policy implications for other countries in Africa and globally This volume s ultimate purpose is to provide a basis for imagining new futures in which South Africa higher education in the context of Africa and the global world takes centre stage

Born in Chains Clinton Chauke, 2018-05-15 What is it like to be born dirt poor in South Africa Clinton Chauke knows having been raised alongside his two sisters in a remote village bordering the Kruger National Park and a squatter camp outside Pretoria Clinton is a young village boy when awareness dawns of how poor his family really is there s no theft in the village because there s absolutely nothing to steal But fire destroys the family hut and they decide to move back to the city There he is forced to confront the rough and tumble of urban life as a bumpkin He is Venda whereas most of his classmates speak Zulu or Tswana and he has to face their ridicule while trying to pick up two or more languages as fast as possible With great self awareness Clinton negotiates the pitfalls and lifelines of a young life crime and drugs football religion friendship school circumcision and ultimately becoming a man Throughout it all he displays determination as well as a self deprecating humour that will keep you turning the pages till the end Clinton s story is one that will give you hope that even in a sea of poverty there are those that refuse to give up and ultimately succeed

New Forms of Urban Agriculture: An Urban Ecology Perspective Jessica Ann Diehl, Harpreet Kaur, 2022-02-18 Eating locally and developing an urban rural food continuum is a rapidly evolving movement Integration of multi functional forms of agriculture termed New Forms of Urban Agriculture NFUA could be a critical adaptation to strengthen this movement and for the sustainability of cities While NFUA have the potential to provide diverse benefits to humans there is an absence of reliable empirical data on the scale and impact of urban resources on NFUA which has a profound impact on its viability and sustainability In this book we shift the focus from how NFUA have potential to impact the urban system to investigate the potential impacts of urban

resources on NFUA Access to resources such as land labour clean water etc are major barriers to enter the agriculture sector in the cities the chapters in this book present projects or reviews recent research on the subject from different cities in the world This edited volume offers critical perspectives from diverse disciplines expertise and geographic contexts related to the actual and potential role of urban and peri urban agriculture in the developing and the developed world where forms adaptations and debates around NFUA vary distinctively Using and urban ecology lens the book provides empirical evidence of how urban resources of land water waste labour and biodiversity impact NFUA

Application of Nanotechnology in Mining Processes Elvis Fosso-Kankeu, Martin Mkandawire, Bhekhe B. Mamba, 2022-03-02

b Application of Nanotechnology in Mining Processes Nanotechnology has revolutionized processes in many industries but its application in the mining industry has not been widely discussed This unique book provides an overview of the successful implementation of nanotechnology in some of the key environmental and beneficiation mining processes This book explores extensively the potential of nanotechnology to revolutionize the mining industry which has been relying for a very long on processes with limited efficiencies The nine specialized chapters focus on applying nanoflotation to improve mineral processing effective extraction of metals from leachates or pregnant solutions using nanoscale supramolecular hosts and development of nano adsorbents or nano based strategies for the remediation or valorization of AMD The application of nanotechnology in mining has so far received little attention from the industry and researchers and this groundbreaking book features critical issues so far under reported in the literature Application of nanotechnology in mineral processing for the enhancement of froth flotation Development of smart nanomaterials and application for the treatment of acid mine drainage Recovery of values from pregnant solutions using nano adsorbents Valorization of AMD through formation of multipurpose nanoproducts Audience Industrial interest will be from mining plant operators environmental managers water treatment plants managers and operators Researchers in nanotechnology environmental science mining and metallurgy engineering will find the book valuable as will government entities such as regulatory bodies officers and environmentalists

Transition Elements—Advances in Research and Application: 2012 Edition, 2012-12-26

Transition Elements Advances in Research and Application 2012 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Transition Elements The editors have built Transition Elements Advances in Research and Application 2012 Edition on the vast information databases of ScholarlyNews You can expect the information about Transition Elements in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Transition Elements Advances in Research and Application 2012 Edition has been produced by the world's leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com>

Sociology in South Africa R. Sooryamoorthy,2016-08-13 This book is the first comprehensive account of the history and current state of South African sociology Providing a holistic picture of the subject both as it is taught in universities and as a field of research it reveals the trajectories of a discipline in a challenging socio political context With the support of historical and scientometric data it demonstrates how the changing political situation from colonialism to apartheid to democracy has influenced the nature direction and foci of sociological research in the country The author shows how during the apartheid era sociology was professionally fragmented and divided along language and race lines It was however able to flourish with the advent of democracy in 1994 and has become a unique academic movement This insightful work will appeal to students and scholars of the social sciences and all those interested in the history and society of South Africa

Examining Information Literacy in Academic Libraries Chizwina, Sabelo,Moyo, Mathew,2024-04-09 In the 21st century information literacy emerges as the cornerstone of educational development Despite its paramount significance a stark reality persists students often traverse the corridors of academia without acquiring essential information literacy skills This deficiency is exacerbated by a shortage of faculty training leaving academic libraries to shoulder the responsibility of cultivating information savvy individuals Examining Information Literacy in Academic

Libraries delves into the core challenges and solutions surrounding this critical educational imperative This book illuminates the role of academic libraries as bastions of information literacy instruction The capacity of students and information consumers to seek evaluate and utilize information is paramount for informed decision making ethically and legally Regardless of whether or not students were brought up in the digital age many lack the fundamental information literacy skills required for higher education This deficiency manifests in academic malpractices such as plagiarism which compromise the integrity of educational institutions Moreover this imperative work contends that the Fourth Industrial Revolution 4IR is not a distant concept but a present reality The recent global upheaval caused by the Coronavirus pandemic accelerated the adoption of new technologies necessitating a swift reassessment of our collective ability to navigate this everchanging digital and information landscape Focusing on media literacy data literacy and digital literacy with information literacy as the overarching domain this book serves as a beacon for educators librarians and policymakers
