been truck driving with my team from Los Angeles to the Kansas City area and back We did that twice a week After doing that for about a year I was able to get a driving position working nights and being home every day I did that for almost year I left there because the company did a pathetic job of maintaining their equipment I was afraid of getting stopped by law enforcement So I left them and got my own truck to take care of Now I am contracted with a carrier to move their freight and it works out a lot better HowExpert publishes quick how to guides on all topics from A to Z by everyday experts *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress.
