forced to protect themselves from their peers or social status to those who make unwise decisions but with luck courage or savagery eventually solve their problem Bergstad has made *Screwing the Pooch* an easy read with everyday language we all understand The title of the book doesn't depict what you'll find inside but psychologically speaking it hits home How many times have you taken revenge on those who have harmed you or someone you know How or when do we make the decision that an action committed is too much to endure and retaliate with good or bad results *Screwing the Pooch* will make you laugh and cry It may fill you with hope or get you angry as hell But in the end it will help you realize why we as human beings do what we do *Screwing the Pooch* by J B Bergstad should be your next must read book Gospel Herald, 1928 Herald of Gospel Liberty Elias Smith, 1914
