The background of the cover is a collage of crime-related images. On the left, a silhouette of a detective in a hat and trench coat stands in a dark, misty environment. In the center, a large, bloody handprint is visible on a light-colored surface. On the right, a roll of yellow crime scene tape with the words 'CRIME SCENE' in black is partially unrolled.

the exciting lifestyle he'd seen on television only to be stabbed, set on fire and left to die in the desert by his own friends. There's also the story of a brawny railway worker who couldn't control his steroid-fueled rage. After killing two people and being sentenced to life in prison, he continued his rage behind bars. There's the story of a young woman who was abducted while sunbathing along the Ohio River. A witness across the river saw the abduction in progress and identified the abductor, but after more than twenty-five years, the girl's mother still searches for answers. Some stories made major news headlines, like that of the awkward farm boy from British Columbia who preyed upon desperate prostitutes, killing as many as forty-nine women while leaving almost no trace of their remains.

Murder at 40 Below Tom Brennan, 2001. Drawn from police files, eyewitness accounts and news reports, these stories introduce extreme criminals in an extreme land.

True Crime Case Histories - Volume 1 Jason Neal, 2019-08-29. Eight True Crime Stories of Murder Mayhem. First Book of the True Crime Case Histories Series. 2019. A quick word of warning: The true crime short stories within this book are unimaginably gruesome. Most news stories, television crime shows and true crime documentaries tend to leave out the most horrible details about murder cases simply because they are too extreme for the general public. I have done my best to include full details of these stories, no matter how sickening they may be. In these true crime stories, you'll find that truth really is more strange and vastly more disturbing than fiction. In my first book as a true crime author, I've started with a few of the stories that have haunted me for some time. Some of these stories are unbelievable in their brutality, while others are astounding in the stupidity of the killers. You'll find a story of a religious evangelical Christian who would rather strangle his wife and two young boys than lose his prominent job with the church. Then there's the story of a man that fills his wife's orifices with grease so she will be flammable from the inside. There's the story of the small town doctor that goes through the unbelievable lengths of performing surgery on himself to avoid going to jail for raping his patients. Plus, there are more stories of Serial Killers, terrorizing cities and crime scenes that bring investigators and seasoned police to tears. This collection of stories are from all around the globe and have no common thread between them other than that they are both thought-provoking and disturbing. The stories included in this anthology are dark and creepy and will leave you with a new understanding of just how fragile the human mind can be. The stories include Fred Grabbe, James Patterson, Smith, Dr. John Schneeberger, Chris Coleman, Michelle Bica, Mary Bell, Graham Dwyer, Lawrence Bittaker and Roy Norris. **The Toolbox Killers**. True Crime Chronicles, Volume One, 2020-10-13. Original newspaper reports of Wyatt Earp, Belle Gunness, Billy the Kid, Dr. H. H. Holmes and others, compiled by the New York Times bestselling author. Former detective and bestselling author Mike Rothmiller has brought together classic works of journalism that will take the reader back to when these horrific tales mesmerized a nation.
