**A Misplaced Trust** Will Langford, 2007-11 How is it that America's churches persistently lose ground in their efforts to reach the growing population of our country? How is it that Christianity in America can be credited with a strong political influence in every election since 1980 yet our country continues to spiral out of control spiritually? In *A Misplaced Trust* Dr. Will Langford takes a critical look at a serious matter that must be addressed by today's church if it is going to bring spiritual transformation to America. *A Misplaced Trust* not only identifies issues that must be addressed by Christians today but it also provides practical suggestions on how we can reverse negative trends. Influencing our country for Christ is needed and God expects us to have the heart and the desire to represent Him. *A Misplaced Trust* can help provide insight and support for you as you seek to impact your world for Christ.

**Trust in an Age of Arrogance** C. FitzSimons Allison, 2011-05-26 God is in the dock. Shall we convict him or forgive him? Shall we replace the God of Scripture with another of our choosing, mock and deride him or ignore him? Shall we replace revelation with the chaos of speculation? We perceive ourselves rather than God as the center of the world and this universal condition leads to conflict with others and with God. Maintaining our center causes cheating, lying, litigation, divorce, wars, genocide, and human misery. Western civilization is giving up trust in the promise of God's mercy, justice, and forgiveness and replacing it with trust in the goodness of man. Jesus warned us to beware the teaching of the Sadducees and Pharisees. The Sadducees, who denied hope of eternal life, are a rough equivalent of our modern-day secularists with their religious trust that this world is all there is. Replacing God with trust in flawed human nature is a mark of arrogance that even pagans would have characterized as hubris, evoking divine wrath. The Pharisee's yeast of self-righteousness is a natural condition of us all. Even when cleansed, it reappears in every tradition, rendering forgiveness and transformation a promise only for those who think they have earned and deserve it. Such a distortion of God's word is congenial to our self-as-center but it robs us, sinners, of the justice and mercy of a loving God. Following Jesus's warning, we have the opportunity to wipe away the Sadducee arrogance and the Pharisee self-righteousness and discover anew the supreme power and joy of the Christian faith.

**Revitalization** Robert Beckett,2023-03-30 The most common question that most pastors and church leaders ask themselves is Where do I start in revitalizing my church Revitalizing a church can seem like a daunting task but there are some key steps that pastors and church leaders can take to begin the process of transforming their church into an active and vibrant center of the Christian community The first step that pastors should take is to prayerfully assess the current state of the church This will involve reflecting on the church s current successes and challenges to better understand where changes need to be made That understanding can come only from God himself God has provided us with an example of how revitalization and revival can take place in a church This book will enlighten and inform on the way that God intends for his church to be vibrant and alive again in the community of believers and surrounding neighbors Using Scripture as the pattern and guide readers will gain confidence and courage to move their church forward in revitalization *The Handbook for Spiritual Warfare* Ed

**Best of It** John G. Stackhouse,2011-10 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In Making the Best of It John Stackhouse offers a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem **Uncareful Lives** Jim Albright,2015-05-21 Come Jesus

God Don Whitney Trusting and Toiling on Israel's Behalf ,1898 *Celebration of Discipline* Richard J. Foster,1988-10-05  
In the twenty years since its publication *Celebration of Discipline* has helped over a million seekers discover a richer spiritual  
life infused with joy peace and a deeper understanding of God For this special twentieth anniversary edition Richard J Foster  
has added an introduction in which he shares the story of how this beloved and enduring spiritual guidebook came to be  
Hailed by many as the best modern book on Christian spirituality *Celebration of Discipline* explores the classic Disciplines or  
central spiritual practices of the Christian faith Along the way Foster shows that it is only by and through these practices that  
the true path to spiritual growth can be found Dividing the Disciplines into three movements of the Spirit Foster shows how  
each of these areas contribute to a balanced spiritual life The inward Disciplines of meditation prayer fasting and study offer  
avenues of personal examination and change The outward Disciplines of simplicity solitude submission and service help  
prepare us to make the world a better place The corporate Disciplines of confession worship guidance and celebration bring  
us nearer to one another and to God Foster provides a wealth of examples demonstrating how these Disciplines can become  
part of our daily activities and how they can help us shed our superficial habits and bring the abundance of God into our lives  
He offers crucial new insights on simplicity demonstrating how the biblical view of simplicity properly understood and  
applied brings joy and balance to our inward and outward lives and sets us free to enjoy the provision of God as a gift that  
can be shared with others The discussion of celebration often the most neglected of the Disciplines shows its critical  
importance for it stands at the heart of the way to Christ *Celebration of Discipline* will help motivate Christians everywhere  
to embark on a journey of prayer and spiritual growth The Banner of Holiness ,1875 **The Church School Journal**  
,1874 **Three Pieces of Glass** Eric O. Jacobsen,2020-05-05 Loneliness is increasingly recognized as a major public health  
crisis that is on the rise and impacting people of all ages Addressing the crisis of loneliness from a fresh perspective this book  
introduces belonging as an overlooked but critical aspect of a flourishing Christian life Eric Jacobsen shows how three pieces  
of glass the car windshield TV and smartphone are emblematic of significant societal shifts that have created a cultural habit  
of physical isolation We feel increasingly disconnected from the people and places around us Jacobsen explains how adopting  
everyday practices and making changes in our neighborhoods can help us create a sense of belonging and rediscover what  
belonging in a place looks like In order to effectively solve the problem of loneliness we need to recover patterns and  
practices of community life that encourage us to form meaningful connections with people and stories that are part of the

places where we live work and worship To this end Jacobsen offers four redemptive strategies for living a more intentional and spiritual life

INSIDE LEFT FLAP Wake up O Lord Why do you ignore our suffering and oppression Psalm 44 23 24 Questioning God is nothing new Since biblical times men and women have entertained doubts about His heart His attentiveness and His intentions We demand answers to our cries of Why God and How long do I have to endure this God is not put off or intimidated by your questions He wants you to be real with Him But He also wants to be real with you And that means assuring you that He cares In hard times and sickness in fear and confusion in pain and disappointment It matters not what you face but rather whom you choose to face As you seek His comfort you'll also find His challenge Jesus cares too much to leave you where you're at So the question is yours to answer Will you believe Him for life beyond what you've ever experienced
